

The Barn of Mr. Michael Reck, in York county, a few miles from Hanover, was destroyed by a fire about 1 o'clock on Wednesday week. Agricultural implements, hay, grain, straw, two valuable horses and a male, were also consumed. Loss \$2,000—partly insured.

The barn belonging to Joshua Smith, in Carroll county, Md., and occupied by Henry Maker, was destroyed by fire a few days ago, with all his corn. Two colts also perished in the flames.

On Sunday night week, one half of the city of Aberdeen, Mass., was destroyed by a hurricane. The scene was awful, the howling winds blowing down the Presbyterian church, and many large store buildings and private houses.

Greely claims John Hickman, M. C. of this State, as a Black Republican.

Problems.
There was a certain man had three sons, whom he sent to three different markets. To A he gave 10 eggs; to B, 30; and to C, 50. He then told them that they were to sell their eggs at the rate of one cent per egg, and to bring home the same sum of money. How must they sell their eggs?

BOLLOWSY'S FILLING is a remedy for a hard, dry character, frequently cured, primarily, from a diseased condition of the stomach and the liver, and may often be relieved by a single dose of these extraordinary Pills. Dyspepsia is sometimes accompanied with a hacking cough, and at such a time as especially requires the attention of the physician. In such cases, physicians generally give emetics, a practice as unnecessary as it is dangerous, since a few doses, or at any rate a full course of the Pills, never fails to remove both the cause of the difficulty and the difficulty itself. The following interesting case, from a remedy upon the weak and debilitated is truly marvellous.

A SINGULAR INCIDENT.—At a sale of old furniture, recently, there was accidentally discovered, in one of the articles sold, a small secret drawer, in which was found a will, duly drawn, signed, and witnessed, which was not presented for probate at the time of the testator's death. The legatee named in the will was the late Mr. J. H. Clark, Clerk of the Court of the County of Adams, and who was at the time of the testator's death, residing at No. 101 North Third Street, Philadelphia, Pa. Mr. J. H. Clark, Clerk of the Court of the County of Adams, is now residing at No. 101 North Third Street, Philadelphia, Pa.
