----Patrick was a baggage master on the Georgia Railroad, and always at-

tentive to his business. A few evenings since, while at his post, he was accosted by an excited passenger, who, costed by an excited passenger, who, in a rude and boisterous manner, de-manded repeatedly to know the where-small capital of from \$3 to \$7, can enter into an abouts of his trunk. Pat, after several easy and respectable business, by which from \$5 times replying to the interrogatory, at to \$10 per day can be realized. For particulars, longth lost patience, and thus put an end to the stranger's troublesome questioning : "Och, misther, I wish in my soul you were an elephant instead of a jackass, for thin you'd have your trunk TN THE PRICE OF THE I. M. SINGER & CO.'S always under you eye."

Important European News .- We have important news from Europe, by the citizens of York, Adams, Cumberland and Lan-arrival at New York of the steamship caster counties, that he will sell Singer's Serving Europa. The reports are that the in-tentions of the Emperor of the French all means purchase one of Singer's for ther are are again decidedly warlike. He will the only machines that will do the work that is soon form a camp of 100,000 troops at required of a Sewig Machine. Call and examine Toulon. The Paris and Vienha cor. and see for yourselves before purchasing elserespondence of the London papers where. For beauty they cannot be surpassed, abound in ramors of warlike prepare, and for durability cannot be beat-there being now in use over 15,000 of Singer's Machines, tions. On the other hand, the English which recommends them to be far superior to stray estimates show a reduction of any other in use. All I ask is an examination 7500 men in the home and colonial of the Machine, and if you have any notion of 7500 men in the nome and colonial on the avery and be certain to buy. Machines of forses. There are runnors of a minis. one you will be certain to buy. Machines of terial change, including the retirement should have one of the Pamily Machines, for they of the Lord Chancellor, Sir E. Bulwer are certainly a handsome and useful piece of Lytton, and General Peel.

*Norrible* Murder and Suicide.-At Monticello, Indiana, a horribie murder &c., &c., at all times on hand. All orders atand suicide was committed on the 29th uls. Arthur Burns, an old farmer, who had been divorced from his wife, but was again married to the same woman after a separation of several years, de-liberately loaded his gun with heavy slugs, and shot her through the head as she sat kuitting before the fire. Ro-Lemons, Dates, Palm Nuts, Filberts, hard and after a separation of several years, deloading the gun, he placed the muzzle paper shell Almonds, Pen Nuts, &c. to his mouth, and pulling the trigger Losf, Brown, Powdered and Crushed, Coffee. with his toe, blew his brains out. He N. O. Molasses, Syraps of the best quality, was instantly killed. The unfortunate Rice, Soda, Starch, Teas. Cinnamon, (ground woman, though shot through the brain, and unground,) Cloves, Mastard, &c. lingered for a whole day, when she
