ing men. Even these was capured with the action of the State Convention, are new designing of the State Convention, are new designing this discrepancing achieves of a Sw designing men. They know the characters though defeated, they have been defeated. But though defeated, they have people understolly the large last they have nearly and the set was the state; a and more non-more and their active, at-tached allies are pushing forward this col-umn of attack upon the Democratic party, its principles and its condidates. From all con-Abelitianute and the dangerous doctrines of the nam of attack upon the Democratic party, its principles and its condidates. From all continues of the State the rame intelligence is transmitted—that the Democracy are a unit against this swindling movement, while the Black Republicance are interesting themselves in procuring names to the call for a Bogus Convention, and attempting to impose them upon the community as those of Democratic hards and the State are canversed it will be found that the Democracy have polled a heavy upon the community as those of Democratic hards and the State ticket, they have made encouraging galas of members of the Legislametra, and have attained a foothold from which in this City, the head quarters of Kroy, and they will very soon achieve a triumph. In all in Hancouraging in this City, the head quarters of Kroy, and they will very soon achieve a triumph. In all in Hancouraging in the contract of the Democratic sequences and the State ticket, they have made encouraging galas of members of the Legislant transmitted—that the Democracy have polled a heavy against the contract of the Union.

When the votes are canversed it will be found that the Democracy have made encouraging galas of members of the Legislant transmitted—that the Democracy have been a triumph. In all its Hancouraging the contract of the Contract of the Achelition and the State cannot long by the people. The State cannot long by the people that the peopl n this City, the head quarters of Knox and Forney, the Bogue party has dwindled down to these two worthies and David Webster, the sub-lieutenant in this most formidable and dangerous army! The reason of this abandonment of Knox.

Forney & Co., is to be found in the fact that the neuple have at length fully discovered the character of these men and the motives which underlie their action. While yet they pre-tended an attachment for the party and its organization, there were some who shut their eyes to the proofs of their infidelity, and clung to their fortunes. Even when Forney spoke at Black Republican meetings, and irged the election of Black Republican canthe Democracy at the previous State Conven- didates, still a few misguided men clustered all Democrats, North and South, East and tion of the course thay were to pursue on the around his standard. When Attorney Gen- home. Approaching the Depot just as the West, who are true to the principles of the issues of the day, and the approval of that eral Knox left the duties of office to nid the course by the Democratic masses throughout, defamers of the Constitution, the revilers of the State, Governor Packer has seen fit to the Union, in Chester and Delaware counties, "This shows either that there is sympathy identify himself with the common enemy, even then he was not entirely deserted. But not only by his individual action, but through when these men took company with Lauman, the ground. Mr. Sayder received a severe sugar, 26 sacks of salt, 25 of coffee, 6 labels, show their disregard for the party to which last link was broken, and they stand alone in Packer and thomselves owe their present po- their infamy, not one of their Democratic sitions. It is not at all surprising, therefore, companions being willing to follow them into Baltimore street, after having mashed the that the representatives of the party should the fatal gulf of treason and dishonor. The men claiming to be delegates will have no right to ; but the efforts of such disorganizers far as the Democracy is concerned this moveby sixteen inches!

Capt. John H. Weber, a man aged 80 pears, committed suicide at Bellevue, Iowa, by enting his throat with a razor, on the 7th by enting his throat with a razor of the result. Such is the case

> is now well known, and its purposes denounc-Democracy of the State. As well might the proceedings of a Black Republican State Convention be suffered to disturb the party contest in the State is between the Black Republican and Democratic parties, and those who are against the latter either directly or by collateral movements, aid the former and must be classed with that party. When, therefore, the small squad of disorganizers shall meet at Harrisburg they will have nothing to do but pass the usual Spread Eagle resolutions about "Executive usurpation," the "tyranny of the General Government," make a few speeches for the Press, and then go home and rote the Black Republican ticket as they would have done without all this parade and show. But this demonstration will not deceive the Democracy. They know the strength of the disorcanizers and their own, and with a united and harmonious party, enspirited by the bold and healthy action of the State Convention, are preparing to meet the enemy on the old battle fields of the Keystone State. As to the result we have no fear. Now that we have no traitors within the party, the victory must be ours.

doomed men before the whole organization of

Connecticut Election. The Coalitionists, (Republicans, Know Nothings and Abilitionists,) have carried 103 Democrats to the House of Representatives, with one tie, and 6 to be heard from .-Last year 143 Republicans and 90 Democrats in a full House. Senate-13 Republicans. 7 Democrate, and one to be decided. East year, 15 Republicans and 6 Democrats. Shewing a Democratic gain of one or two Senators and about 15 Representatives.

The fruits of the election of the four Comgressmen are not palatable to all wings of the Opposition. The Seward men are exultant, as they think that Connections is now bound captive to his chariot wheel, but the Anti-Seward portion of the Black Republicans do not cheer so lustily over this triamph. Like the man who drew the elephant in the lettery, now they have this success they do not know what to do wish it. It is full of minchief, and opens the sampaign for the Presi-

they will very soon achieve a triumph. In all parts of the State our friends have worked with a seel and constancy worthy of the great national party to which they are attached.
