HOLLOWAY'S OINTMENT AND PILLS -A mere list o' the experimental melicines used by ." the profession " would fill many volumes. Yet the greatest of moders surgeons and chemists, Majendie, has fold us that not one of these can be uniformly relied on as a specific. On the other hand, it is claimed for Holloway's remedies that in nice cases out of ten they care those upon whom the whole " regular materia medica " has been expended in vain From the testinxay-voluminous, authentic, and summating from all nations-this would seem to be true. There can be no question, we think, that all emptive and ulcerous disarders, and affections of the stomach, liver, and bowels, yield to their purifying and regenerative influence.

### The Sickles' Trial

FOR THE SHOOTING OF KEY, and the Ex-ecution of Four Murderers in Bultimore, has created the greatest excitement. The pa-pers are filled with details of these shocking affairs. The people talk about it on the streets and in their houses, and look upon these tragedies as being unparalleled in history. So it is with PICKING'SCLOTHING-having just opened the largest and most complete, as well as the cheapest and best assortment of READY-MADE CLOTHING, of every description and style, ever offered in this place, the people talk about it on the highways and in their houses, urging each other to go at once to Picking's and purchase a new suit of clothes. But joking aside, we as-sure the public in all candor that our stock cannot be surpassed-consisting in part of Black Cloth Coats, Cassimere Prock and Sack Coats, Tweed and Linen Coats, and in fact every kind that the market can produce. Vests of every description. Pants to suit all classes and conditions. Shirts, Collars, Stockings, Gloves, Suspenders, &c., &c.
