> Terrille Explosion of a Locomoline. - Three Men Killed .-- On Monday morning a terrible explosion happened on the Penneylvania railroad, three miles cast of Greensburg, which resulted in the death of John Woods, Dodds and John Speilman, conductor, engineer and and over eperine a, considered, such that the first and the total wreek of the engine and 'ender. Woods was thrown about four hundred foet from the track, into a faid, and was dead when the men on the train found him. He was about distance from Woods. He also was killed in-stantly. He was twonty five years of age, \$25,800 with \$16,000 insurance on the stock and \$1,000 on the building. The cause is attributed to the stores used for heating the about two hundred feet from the wreck. He

was lying alongside of a part of the engine house, which had been thrown with such fore<sup>4</sup> as to break of a couple of panels of the fands. Several other persons were slightly injured.
