Or, Religion in Common Life.-Written by T. S. ARTHUR, the well-known author, of whom it has been truly said, "That dying, die has not written a word he would wish to erase." His graphic pen never tires, and in this new volume we perceive that he is still successfully laboring to benefit while he gleases, and while he enchains with master found the attention of men, to make them better. This is more decidedly religious than his other works, though it is not doctrinal nor sectarian. It is a work well calculated nto do good, and is designed to show that the beauties and endearments of Christianity are to be developed amid the stern realities of every-lay lile, "and not to be put aside at the tranquil close of Sabhath evening."
