Scrofula, or King's Evil is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the eleculation, it blood, by which this fluid becomes vitiated, weak, and poor. Being in the eiseulation, it pervades, the whole body, and may burst out in disease on any part of it. No organ is five from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, discordered or unhealthy food, impure air, fillf and fifthy habits, the depressing vices, and, above all, by the veneral infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upors their children."

One quarter of all our people are scrofulous; their persons are invaded by this lurking in-fection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in
