HOME TESTIMONY.

"The purport of my argument is this: If Men. The Boston Transcript estimates that England abstains from taking a part in this war, the war will remain restricted to the the whole quantity of gold which has been Austrian dominions and to the Italian penexcavated from the bowels of the earth, since insula ; if, on the continuy, England interthe carliest day, at nine thousand millions of ferce, the war will become a general European one, because Germany will not plunge into dollars.

the war if told that she will not be supported by England ; and in this case Russia, too, will remain neutral ; but if England should either E. Church, in Petersburg Va., on Tuesday, directly support Austria or assist Germany brought the handsome sum of \$6,500. in supporting her, then Russia, too, will ster in, but on the opposite side-she will support France So that if the present war assumes general European proportions, it will be en-tirely the work of England's intervention." ders since the 1st of January last.

A Boy's Head Cut Of by a Locomotive .-

An extra train containing several of the leading officials and stockholders of the Cleveland and Toledo Railroad, was approaching Grafton, coming towards the city, at a rapid rate. oust before the engine reached the Black River bridge, a small boy ran up the bank of the river and stood upon the abatment. He was a foot or so from the rail, and evidently fancied himself secure from all danger. The engineer, Mr. Rust, saw him, and should to him to get out of the way. The boy heard lous, but did not stir from his perilons position. He was laughing and indulging in all ever valuable it is, its power to beal, to southe, to recorts of boyish grimaces, when the engine liere, and to care, is columed to fold by scientific and Tints the eastern skies with her radiance bright; struck him, taking his head entirely off !-- i indicious combination with other ingredients, in themselves The engineer did not see the boy until he of equal worth.
