somehed on Tuesday, arrived here this evening shout 8 o'cleck. The British ministers have resigned, and Lord Palmeraton has been made Premier, with Lord Russell as Foreign Secretary.

The Austrians have evacuated Piacenza Paria, Lodi, Bologua and Ancona. Before exacuating Piacenza the Austrian : blew up the citadel and fortifications.

Prince Metternich is dead. do was rumored that Napoleon would soon return to France, leaving Pelissier as commander in chief of the army in Italy. The Austrians evacuated Piscousa in evi dent haste, leaving their stores of provisions

ammunition and cannon behind them. Gen. Garibaldi had occupied Berganio, and repulsed a body of fifteen hundred Austrians who were marching against him from Braseia. The Austrians had evacuated all the States of the Church, including Ferrara.

An Austrian correspondent save that the Anstrians at Malegnano yielded only to a decidedly superior force and retired unpur sued and in perfect order.

would take command of his army in person, Hon," on our first page. It completely takes According to the official Austrian reports. their loss at Palestra was 15 officers and 513 sails.

other officers and 878 men wounded; and 6 rices to the effect that there is promise of axealofficers and 774 men missing. MAPULEUN IN LUMBARBY -HIS ADDRESS TO THE PEOPLE.

The following is the text of the address of the French Emperor to the people of northern Italy.
"Italians The fortune of war having

brought us into the capital of Lombardy, I am leans, on the 20th, at \$9 per barrel. about to tell you why I am here. When Austria unjustly attacked Piedmont I resolved to support my ally, the King of Sardinia, the nor and interest of France making it a duty eight hours from the effects of the wound. which was felt in Europe for your cause by making it be believed that I only made war from personal ambition, or to aggrandize the territory of France. If there are men who do will be given when it is. not comprehend their cooch. I am not of the by the moral influence which is exercised than by fruitiess conquests, and that moral influence I seek with pride in contributing to dispossessing the sovereign, nor to impose my will on you. My army will only occupy itmies and maintain internal order. It will considerable of a fish story. not throw any ob-tacles in the way of the legitimate manifestation of your wishes .-Providence sometimes favors nations as well as individuals by giving it a sudden apportuthe fortune which is offered to you to obtain and rest well of nights. your independence. Organize yourselves militarily. Fly to the standard of King Victor Emanuel, who has already so nobly shown you the path of honor. Remember that without discipling there can be no army. Be today only soldiers, and to-morrow you will be the free citizens of a great country.

The Russian government has endorsed the "magnanimous" course of the French Emperor, and intimates to Germany that she will sustain him in his efforts to drive Austria out of Italy.

The Herald, in publishing a telegram that six Prassian corps d'armua are mobilized. "Of course this means war. The advent of Lord Palmorston to the Premiership has evidently induced her to take this docise ive step and join Austria. The English perple will now perceive the truth of what we before asserted, that Lord Derby's government alone preserved Europe from a general

An official statement in the Vienna Zeitung gave the Emperor of Austria will forthwith assume the immediate command-in-shief of the army, and that he ordered a new position the best manner. The Austrians were evacuating Modena,

and were in full retreat towards the river Large reinforcements were about to leave France for the army in Italy.

Douglas Forney, We copy the following article from the

States, the organ of Judgo Douglas at Washington: The Philadelphia Press of Saturday, in

noticing the recent letter of Judge Douglas, can party there. " He plants himself upon the recognized and

accepted principles of that party, and although he abstained from saying the word, the whole better united than they have been for years. rejected and betrayed, it is idle to plead in its most harmonious, and all the resolutions were behalf the skeleton of a mere organization." Mr. Forney would thus convey the impres-

from his allegiance to the Democratic party, and is in rebellion to the Charleston Convention. As far as we are advised, Judge Douglas has never for a moment entertained a notion manifesting such a purpose. No intention of the kind is expressed or

implied in anything that he has said or writ-He has merely stated that in case a platform is not adopted at Charleston in harmony with his own opinions and views, he would not be disposed to accept the Presidenfirst make the nomination and afterwards prepare the manifesto of the party. This manifesto is submitted to the nominee for his noceptance. If he disapproves of it, as a matter of course he would decline the honor conferred upon him. But would it not be ridiculous to suppose that because he could not conscientiously support all the conditions which he had been associated from early

Judge Douglas professes to be devoted to the principles of the Democracy, and we un-derstand that he asserts, in the most positive terms, that in no conceivable contingency, indeed in no possible eventuality, can he be influenced to bestow his vote adverse to those principles. Under any circumstances, he will contribute his aid to the support of the candidate who stands upon a platform which may have but a solitary objectional stipula-tion in it, rather than to the support of a that form that will assuredly be destitute of a solitary stipulation that can command his

unqualified approbation. It has been but too apparent for months that Mr. Forney has been aiding and abet. The National Democrat, published at Lecompton, saye, in its issue of the 16th inst., stinguished Attarney General of the United that it is unable to inform its readers how States, has addressed a letter to Mr. Alexanenany delegates the Democratic party has der Sidi, a native of Turkey, naturalized in cratic majority at succeeding elections.

The effort of the Black Republicans to Care break the force of their failure in Kansas, by charging fraudulent voting on the Democrats, is worse than idle. Their story of the facts stated by the Leavenworth Herald, government, his solicitude on this point being lowes to his country. The spirit of unity and a feeling which we share with them, know-that there has been no session of the Grand occasioned by misconceptions, which exist in harmony should be invoked. Whatever may ballot hoxes in every Ward in the city."

The truth is, Black Republicanism in and in that Territory. The Democrats may not have elected a majority of the Constitutional minority in that body, and that Kansas will be, not a sectional, but a National Demogratia State when she enters the Union.

All Wool, and Nothing Else! The Republicans in New York, in Ohio, at the West, and indeed everywhere, are for going the pure, unmixed, Black Republican creed, and for nothing else. Witness as an example, the following from the Racine Advolionns talk;

"We will not knowingly rate or support any man who does not stand square on the Republican platform. If the party should be volves; we do not suffet under any such commander. So long as we have spared to us men like Seward, Chase, Fremont, Wade, Blair, two large catfish on it, one weighing 25 and the for the war, but we will not followship with consideration in the division of the anoils .-It in 1860 a majority of the voters in these United States are not/willing to vote for a trial of Republican management of our national affairs, why let them have another four years' trial of modern Democracy. We can stand it if the people can."

Defying the Germans. The German Republicans denounce Marsachusetts, and demand, as the price of their continuance in the Republican party, that Turkey. her delegates should be refused admittance to the next Republican National Convention -To these threats the Boston Allas and Bee replies:

As for excluding the Massachusetts delegates from the National Convention unless thay repudiate the two years' amendment, all Pa. This Synod held its first meeting in 1748 The Massachusetts delegates would probably -twenty-nine years before the signing of not leave alone, and those who urge such a proposition will find that a Massachusetts Republican is as good as a German one, and they will find, also, that Massachusotts will take no step backwards in this or on other proposition she can honestly and properly

maintain. ing towards the German voters of this country. At the same time, Massachusetts will permit no one, native or foreign, living beyond her boundaries, to dictate terms to her. Let right of negries to vote, started for Pikes' Western Republicans submit their party and its own merits. He adds, however:

Peak. He was several days on the route, and themselves to be lorded over by a few German voters, that they will break up their organization in their own States, and sow the seeds of another American party, which will exort highest day's labor, or day's yield of gold, a power more vast than those who now traduce Massachusetts to obtain favor of the Germans have the remotest idea of.

Should the National Convention, by resolution or otherwise, be rilly enough to attempt to single out Massachuserts, and descredit her for having in her own way amended her own exclude the delegates form this State from The story orginated in New York or Washholding seats for any such cause, a storm will such Conventions had an existence. We hope we shall hear no more of this kind of talk.

Black Republican Vagaries. The vagaries of Black Republican legislation adopted unanimously, notwithstanding the have been strikingly exhibited by a recent sion that Judge Douglas has absolved himself conflict between the Mayor and Aldermen of Manchester in regard to appointments, the Mayor being a Democrat and selecting city rule, in Democratic national conventions, to No. 2," in honor of Gen. Cameron. As the their brother Republicans, the Aldermen.— General is now a Black Republican, and a This step, if consummated, will prove of lascandidate for President, the name of the ting mischief in time to come. The example will prove most pernicious.
