## Dr. M'Lane's

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.

CELEBRATED VERMIFUGE & LIVER PILLS.—We beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to DR. CHAS. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz: The VERMIFUGE, for expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. The LIVER PILLS, for the cure of LIVER COMPLAINTS, all BILIOUS DERANGMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the Proprietors, FLEMING BROTHERS, PITTSBURG, PA., to dispose of their Drug business, in which they have been successfully engaged for the last 20 years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will *continue to spare neither time* nor expense in procuring the Best and Purest materials, and compound them in the most thorough manner. Address all orders to

FLEMING BROTHERS,
Pittsburg, Pa.

P. S.—Dealers and Physicians ordering from others than Fleming Bros., will do well to write their orders distinctly, and *take none but Dr. M'Lane's, prepared by Fleming Bros., Pittsburg, Pa.* To those wishing to give them a trial, we will forward per mail post paid, to any part of the United States, one box of Pills for twelve three-cent postage stamps, or one vial of Vermifuge for fourteen three-cent stamps. All orders from Canada must be accompanied by twenty cents extra.

For sale by A. D. Buehler, Agent, Gettysburg, and by dealers generally throughout the county.

## Elastic Cement

ROOFING.—The subscribers are prepared to contract and put on at the shortest notice W. E. Child & Co.'s PATENT FIRE AND WATER-PROOF ELASTIC CEMENT ROOFING.

It is perfectly Fire and Water proof, and in point of durability is equal, if not superior, to any Metalic Roofing. It can be put on over tin, tar, iron, or shingle roofs, however flat or steep they may be.

In point of resisting the elements of fire and water, nothing has yet been discovered equal to the Elastic Cement.

Those who have used it, have testified that it is the very perfection of Roofing, and that there is no further room for improvement. No one will now think of putting on *shingles*, when this Cement can be had for much less money and will outwear four shingle roofs. This Roofing is warranted as represented.

The Elastic Cement is the cheapest and best protection from decay for wood exposed to the weather or dampness of the ground. It is also the best paint for iron, effectually preventing rust; and wherever applied perfectly excludes dampness.

The subscribers have this Cement for sale in quantities to suit. For further information, apply to P. J. & C. M. TATE,
Eagle Hotel, Gettysburg, Pa.

The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened and rendered less dangerous. Even should a physician afterwards have to be called, he will take the case at decided advantage from the previous treatment.

COUGHS AND COLDS, which are of such frequent occurrence, and which so often lay the foundation of diseased lungs, bronchitis, and consumption, may all be at once cured by the Fever and Cough Pills.

Often the cure of a single chronic difficulty, such as Dyspepsia, Piles, or Catarrh, Headache, or Female Weakness, has more than paid for the case ten times over.

## Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

## Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

## Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice*, and other kindred complaints, arising from a low state of the body or obstruction of its functions,

## Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

**Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.**

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing
