This compound will be found a great pro moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-

ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous some, through which the system will strive to addited of computing in fund existent to do

rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurition bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins ; cleanse it

whenever it is foul, and your feelings will tall you when the hun, and your leeings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this

pabulum of his disordered, there can be no lasting health. Sooner or later something

must go wrong, and the great machinery of

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations. pretending to be concentrated extracts of it, contain but little of the virtue of Saraparilla,

During late years the public have been min-

During late years the public have been mis-led by large bottles, pretryding to give a quart of Extract of Sarsparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarspa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name inself is nurth domined and has become
