New Agricultural Settlement. TIO ALL WANTING FARMS, a rare opportunity in a delightful and healthy clin 25 miles southeast of Philadelphia, on the Cam-den and Atlantic Railroad, New Jersey.—An old estate, consisting of several thousands of acres of productive soil, has been divided into Farms of various sixes to suit the purchaser.—
A population of some fifteen hundred, from rice of the land is at the low sum of from \$15 to \$20 per acre: the soil is of the best quality for the production of Wheat, Clover, Corn, Peaches, Grapes and Vegetables. IT IS CON-INION. The place is perfectly secure from dampness. frosts—the destructive enemy of the farmer .-Crops of grain, grass and fruit are now growing and can be seen. By examining the place it ply to self, a correct judgment can be formed of the productiveness of the land. The terms are made easy to secure the rapid improvement of the land, which is only sold for actual improvement. The result has been, that within the past year, some three hundred houses have been erected, two mills, one steam, four stores, some forty vinyards and peach orchards planted, and a large number of other improvements, making it a desirable and active place of business. locations away from the city, and more than double the price than the West. It is known that the earliest and best fraits and vegetables

TREATS ALL DISEASES .- DR. BAAKEE in this latitude come from New Jersey, and are In locating here, the settler has many advantages. He is within a few hours' ride of the great cities of New England and Middle States, he is near his old friends and associations, he is in a settled country where every improvement of comfort and civilization is at hand. He can

> procured in the place, good carpenters are at purchasing elsew hand, and there is no place in the Union where their advantage. buildings and improvements can be made

cheaner. The reader will at once be struck with the adket; and unless these statements were correct. Dr. Baakee is one of the most celebrated and no one would be invited to examine the land to purchase, as locations cannot be held on re-

There are two daily trains to Philadelphia and to all settlers who improve, the Railroad Company gives a free ticket for six months, and a half-price ticket for three years.
THE TOWN OF HAMMONTON.—In connection with the agricultural settlement, a new and thriving town has naturally arisen, which pre-

sents inducements for any kind of business, particularly stores and manufactories. The Shoe business could be carried on in this place and market to good advantage, also cotton business. and manufactories of agricultural implements or founderies for casting small articles. The improvement has been so rapid as to insure a ones, ss it would affect the improvement of the place, can be had at from \$100 and upwards. The Hammonton Farmer, a monthly literary tion of Hammonton, can be obtained at 25 cents

blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on tubercles; in the glands, swellings; and on the surface, sruptions or sores. This fool cor-ruption, which genders in the blood, depresses the energies of life, so that scrofulous constitu-tions not only suffer from scrofulous com-plaints, but they have far less power to with-stand the attacks of other diseases; conse-quently. Yest numbers

One quarter of all our people are scrofulous; their persons are invaded by this lurking in-fection, and their health is undermined by it. To cleanse it from the system we must removate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this creay where prevailing and fatal malady. It is combined from the most active remedials that have system from its destructive consequences. Hence it should be employed for the cure of and SALT RHEUM, SCALD HEAD, RINGWORM, and to the satisfaction of customers.

Courtex Product taken in exchange for Rheumatum, Strinititic and Mercurial District and Mercurial particular purpose and virtue of this Sarsapa-rilla is to purity and regenerate this vital fluid, without which sound health is impossible in

> Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

contaminated constitutions.

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties acarch, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at since so eisople and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Aliurnac, containing certificates of their cures and directions for their use in the following complaints: ('active-mass, Hearthern, Headsche arising from disordered Stemach, Naussa, Indigestion, Pain in and Morbid Inaction of the Boscels, Flatuleucy, Loss of Appetits, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral, FOR THE MAPIN CURE OF Coughs, Colds, Influenza, Honrseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive

Putients in advanced stages of the So wide is the field of its usefulness and so maous are the cases of its cures, that all y section of country almenda in manager merous are the cases of its cures, that almost every section of country alsounds in persons publicly known, who have been restored from alarming and even desperate diseance of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer healther what antidote to employ for the distressing and dangerous effections of the pulmonary organs that are incident to out climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and pro-

on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten. PREPARED BY DR. J. C. AYER & CO.
