Ayer's Sarsaparilla

A compound remedy, in which we have lebored to produce the most effectual alterative
that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service & this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found

of the following complaints:—
SCROFULA AND SCROFULOUS COMPLAINTS. ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM. SCALD HEAD, SYPHILIS AND SYPHILITIC AP-PECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DERLLITT, DYS-PEPSIA AND INDIGESTION, ERYSIPSIAS, ROSE OR St. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD. This compound will be found a great pro-

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the sid of this rangely, spare themselves from the aid of this remedy, spare themselves from the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous scres, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitinted blood whenever you find its immediate structed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no justing health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown. life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is chained for it but more because for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Saraparilla

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sursaparilla for one dollar. of Extract of Sursuparilla for one dollar. Most of these have been frauds upon the sick, for they not only consain little, if any, Barsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and chest. Still we call this commound Sarsaparilla and intend synonymous with imposition and chest. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall reseme the name from the load of chledgy which rota upoff it. And we think we have ground for beligving it has virtues which are irrestable by the audinous run of the disease it is intended. by the ordinary run of the discuses it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously takes according to ducctions on the bottle.
