Cleanse out the vittated bland whenever you find its impurities bursting through the skin in nimulae assessment. structed and sharpish in the veins; eleanse it whenever it is first, and your feelings will tell you when. Even where no particular disorder is fell, people enjoy better health, and live honger, for cleansing the blood. Keep the bined benisher, and all is well; but with this pulsellers of life disordered, there can be no meting health. Somer or later something

much gas where and the great machinery of Surgardin has, and decrees much, the requirition, of accomplishing these ends. But the world has been egregically decrived by preparations of it, partly because the drug alone has not all the virtue that is claimed tue in but more Lecause many preparations proteinbag to be concentrated extracts of it, contain but hitle of the virtue of Suraparillo,

or any thing obe. During late years the public have been misrilla, but often no curative properties whatever. Hence, hitter and painful disappointment has followed the use of the various extracts of Sarsuparilla which flood the market, until the name itself is justly despised, and has become typen visions with imposition and cheat. Still we call this compound Sarsaparille, and intend so supply such a remedy as shall refeue the upon it. And we think we have ground for believing it has virtues which are irresulible by the ordinary run of the diseases it is intend-ed to care. In order to secure their complete eradication from the system, the remedy should

be fudiciously taken according to directions on the bettie.
