The Harper's Ferry Trials—Conviction of Copeland—Stevens Handed Over to the United States Authorities—Trial of Cook and Other Parties—Threats of Lynching, &c.

Charlestown, Va., Nov. 5.—The trial of Copeland was concluded on Saturday evening, the charge of treason having been abandoned, as in the case of John Brown and Green. He was found guilty of murder, and inciting slaves to insurrection. On Monday morning the prisoner Stevens was brought into court on his mattress, and whilst empannelling a jury the case was slightly altered by a dispatch from Gov. Wise, received by Hon. Andrew Hunter, suggesting that Stevens be handed over to the United States authorities for trial.

After reading the dispatch Mr. Hunter informed the court that he had in his possession a large number of important letters and documents implicating in the treasonable designs of the prisoners a large number of prominent citizens of the Northern and Western States, which would be made public in the trial of Stevens before the United States Court. The prisoner gladly accepted the proposition to be handed over to the United States authorities, and he was remanded to prison and the jury discharged.

The grand jury having yesterday found a true bill against Capt. Cook, he was brought out for trial this morning. A jury was empannelled, when the Hon. A. Hunter arose and read in open court a full confession written by Cook, giving all the details of the insurrection. Mr. Harding made the opening address, and the case will probably be given to the jury to-morrow.

Charlestown, Nov. 10.—The jury brought in a verdict to-day against John E. Cook of guilty of murder in the first degree and inciting slaves to insurrection. The court immediately sentenced Cook and all the other convicts tried since Brown was convicted, to be hung on the 16th of December. It is supposed the Governor will respite Brown to that day and hang all at the same time. The court adjourned for the term.

☞Mrs. Mary A. Brown, wife of Captain Brown, now under sentence of death in Charlestown, Va., reached Baltimore on Monday, on her way to visit her husband; but during the afternoon she received a despatch from the North, requesting her to return immediately to Philadelphia, and she left again in the evening train. She is about thirty-five years of age, very tall and masculine.

☞The rumor that Governor Wise had made a requisition on Governor Morgan for the surrender of Gerrit Smith, is officially contradicted by a despatch from Richmond.—On the other hand, we have a telegraph from Utica stating that Gerrit Smith has become deranged, and has been placed by his relations in the Lunatic Asylum at that place.

Utica, N. Y., Nov. 11.—Gerrit Smith shows continued marks of insanity. No one is allowed to see him, but it is understood that he refers in his ravings to the Harper's Ferry matter, and supposes himself under arrest.

Martial Outbreak at Brownsville, Texas—The Town Threatened with Destruction—The City Barricaded—Mexicans Arriving, &c.

The steamship Arizona has arrived from Brownsville, Texas, on the 2d instant.

Cortinas' band of outlaws continue their depredations, and threaten to destroy the town by fire. On the 20th ult., thirty of his men entered the city and fired one round.—They were dispersed by the artillery and fled.

On the 24th, one hundred and twenty men, with cannon howitzers, marched against Cortinas and drove the guard from his house.—They were, however, surprised by an ambuscade, lost a cannon howitzer, and were finally defeated, with four wounded and nine killed. Cortinas lost two killed. Cortinas afterwards sent a letter demanding of the citizens of Brownsville the surrender of their sheriff and other parties whom he wishes to punish, to save the town from destruction.

There was a general panic at Brownsville, the city was barricaded, and trenches were dug, and an attack was hourly expected. It was reported that after taking Brownsville Cortines intends to attack Brazos.

The Mayor of Brownsville appeals to New Orleans for a hundred men, as the citizens are worn out, and the Rangers have not arrived.

Sixty felons, who had been released from a prison in Northern Mexico, had joined the guerilla band, and were devastating the country.

Washington, Nov. 9.—While the Cabinet was in session yesterday, the President received a despatch showing the pressing necessity for military assistance at Brownsville. The Secretary of War, within a half an hour thereafter, issued instructions to Captain Ricketts, commanding the Artillery Company at Baton Rouge, to place his men in readiness for a march, and at the same time the Quartermaster at New Orleans was telegraphed to make arrangements for transporting the troops to Point Isabel, to which place they are now probably on their way.

☞The Military Display, &c., will come off at Hanover to-morrow. A grand time and a big crowd are expected.

☞Senator Douglas is dangerously ill at Washington.

Full Length Steel

ENGRAVINGS OF WASHINGTON AND EVERETT, including a View of MOUNT VERNON, in the Engraving of Washington.—These splendid engravings are from original paintings by Hicks, and are engraved on steel in the highest style of Art. They are each 25x35 inches, each engraving six square feet! So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not seen. We have paid the first artists their own prices, amounting to many thousand dollars, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid ornaments to any parlor. ☞Opinions that can be relied on:

The Editor of the New York Observer says: "These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others."

The New York Christian Advocate says—"They are among the finest engravings we have ever seen, and THE PUBLISHERS ARE QUITE RESPONSIBLE FOR ALL THEY PROMISE."

PRICE ALMOST GIVING AWAY!

We will send, post paid, securely packed in rollers—Either Engraving and a $3 Magazine, one year, for $3. Both Engravings, and a $3 Magazine, one year, for $4.

☞Agents who remit $30 at one time, will have an extra copy of each engraving: The Magazines are *Harper's, The Knickerbocker, Godey's Lady's Book, The Atlantic, Blackwood*, &c.

☞By special arrangements, the entire year's subscription to the Magazines is paid once by us—to our publishers, and subscribers receive their supply for the year direct from their respective publishing offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazines.

☞Engravings sent at once, and subscriptions to periodicals commence with current issues, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are the best, and early. Address, C. M. BARNARD & CO.,
