"As the st the Bright to it a sharp many make battion about twelve miles weet of don, the engineer saw a small child sh the middle of the track, playing, and of its danger. He instantly whistled down brakes and reversed his engine, but the reight of the train and the high speed at which is was running, rendered it just to stop before reaching the child, which must inevitably have been crushed to douth. In this emergency, when most men would have stood paralyzed with horror, the conductor of the train, Daniel McCoy, with standiness of serve that has few parallels, ran in the front of the engine, crawled down on the car entsh-Dences Bodkins was a good man, but, Nice so, and holding himself with one head, leaned as far forward as possible, and as he anprosched the child, with a swapping plan of the other he threw it off the track It was the work of an instant, and require steady band and cool head to accomplish it, but he was equal to the emergency. The train was immediately stopped, and on going back the child was found lying at the foot of a small embankment, some twenty or thirty feet from the track of the road, alive and kicking, but somewhat stunned and bruised. The shill belonged to a farmer named Neff, residing immediately along the road. As may well be supposed, the parents were profuse in their expressions of gratitude to the neble hearted conductor, but for whom their shild would have been carried to its home a shapeless mass of flesh and bones. All boner to emductor McCoy-compared with whose dialeterested act of heroism, the boasted fasts of warriors sink into insignificance."

When Fanny began to realize the state of pointment and her father's chargin, who was her foolings, the strong aversion that her faquite mystified at his daughter's conduct. ther had so suddenly conceived for her lover "Only to think, Mary," said Fanny, as she began to trouble her. But in spite of all she drew a chair up to the table where her sister could say, she was unable to persuade him to spoke upon the subject in a most feeling recew his former proposition to the Judge, or

to make the least attempt to conciliate him. Weeks passed, and as there appeared to be no hope of obtaining Judge Clifton's consent Charles at last proposed a clandestine marheart between her affection for her father, that did not fit somewhere. and her love for him, the latter triumphed.

It was nearly eleven o'clock at night, and people that always do everything by rule. I the stairs and was soon in her lover's arms. "Dear Charles," she sobled, "I'm afraid walked away as meek as a whipped spaniel I'm doing wrong. It seems ungrateful to leave poor papa, who has been so kind to me."

" I have not the least doubt of it, darling," he replied, a quiet smile playing around his again." Soothed by his assurance, she allowed him

to lift her into the carriage. "I hope you are not going to stop here Charles," said Fanny, in alarm, abrinking

back into the carriage, as, after riding nearly a mile, they drew up in front of a large white house. "Why, this is Elder Kingsley's! I know him very well."

"O! that will make no difference." replied Charles, gaily jumping out, and then holding out his bands for her to alight. "I've told him all about it. He is expecting us." It seemed so I for the venerable man ha not yet retired, and manifested no surprise at their appearance, or the errand on which they every case parsed over their heads, but sufmme. They stord up, and Elder Kipgsley, in a few solemn words, united them for life.

"Gen. Lane happened to notic a his rough, stentorian voice, he bawled out; " Indiana regiment! No dodging !" "In about five minutes after, the tramendeus They were too much absorbed in their own whis of a twenty-four pound shot passed slope happiness to observe the appreach of a genby the head of the gallant brigidiar, and in tleman who had entered unperceived, until a instant involuntarily he bobbed his head. ing along the line, which the old General mw. "Why, how you talk, papa," exclaimed Fanny, her color rising. "I see nething at all out of the way in the young man; he has always behaved himself remarkably well, I'm sure."

"Perhaps you may not," replied the Judge steraly, "but I do; which is of some consequence, whatever you think to the contrary. And I shall make it a point with you that you abstain from all intercourse with him." And so the old gentleman went out of the

room, banging the door after him in a man- read ot." When Fanny comprehended the successful ner that quite frightened poor Fanny, who ruce that had been practiced upon her, she had never known her father so excited bemade a strong effort to assume a displeased fore.

It so happened that Charles called that very alterneon. failure.

" I can't imagine what pape can see out of the way in him," thought Fanny, as she look- pooted turn that affairs had taken, to look ed upon his handsome, animated countenance. He has a beautiful smile, and is so very

gentlemanly in his manner, besides." Perhaps something of this sort was visible in Fanny's countenance. At any rate, there | conient. was something in its expression which emboldened him to take a seat by her side, which

he had not ventured to do for some time. He had hardly done so, however, when the
