Full Length Steel

EVERETT, including a View of MOUNT VERNUN, in the Engraving of Washington. These splendid engravings are from origina paintings by Hicks, and are engraved on steel in the highest style of Art. They are each 25x35 inches, each CONTAINING SIX SQUARE PUBL. So many coarse, miserable pictures have been palmed upon the public as works of art-and especially in cheap, black and maddy angrav-ings—that it is difficult to convince persons of taste that they are safe in ordering when they have not seen. We have paid the first crists their own prices, amounting to many thousand dollars, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid oraments to any parlor. Din-Opinions that can be relied on :

The Editor of the New York Observer says: The New York Christian Advocate says . -'They are among the finest engravings we have ever seen. and the publishers are fully be-

POSSIBLE FOR ALL THEY PROVISE."
