...Committee of the House of Re...tatives, the shortest road in pla... to award the present Military ... of the Commonwealth. The bill ... prepared with much care by ... military gentlemen, and will doubtless meet with great favor.—Its provisions will simplify the method and insure the proper assessment and collection of the military tax, and conform as nearly as possible to the rules that govern the United States army.—So says the Harrisburg Patriot and Union.

Melancholy Catastrophe.—On Thursday evening a fire broke out in the basement of a double six-story tenement house, in Elm street, New York, occupied by twenty-two families. The flames shot up the stairway with great rapidity, cutting off escape, and from 10 to 20 persons perished. The scene is described as awful in the extreme.

The dwelling of Daniel Early, Sr., at Hyde Parke, in this State, was consumed on Thursday night, and three of his children perished in the flames.
