there has been no such proceeding in England. The House of Representatives, the high impeaching power of the country, without consenting to hear a word of explanation, have endorsed this accusation against the President, and made it their own act. They even refused to permit a member to inquire of the President's accuser what were the specific charges against him. Thus in this preliminary accusation of " high crimes and misdemeanors" against a co-ordinate branch of the Government, under the impeaching power, the House refused to hear a single suggestion even n regard to the correct mode of procceding; but, without a moment's delay, passed the accusatory resolutions
