Resoliban Mostlig in York.

One of the greatest failures our borough has ever witnessed in the way of a po-Htical meeting, was the one called by the "People's Party" of York, on last Thursday night, to organize a Lincoln Club, and ratify the Republican mominations made at Chicago. Posters were displayed conspicuously through the town announcing that the Hon. ED-WARD McPHERSON, of the Adams and Franklin District, would address the M. D., Physician Extraordinary to the Queen. meeting; the call was published in the This invaluable medicine is unfailing in the Republican papers; and a band of mar- cure of all those painful and dangerous diseases tial music was called into requisition to to which the female constitution is subject. in the World!—Now is the time to order Machines and not be disappointed, like there were a good many last season. I have made some important improvements as to cutting grain, strength and durability of the Machine, spectfully invited to call at my shop, or with my agents, and see the new arrangements ; and further, I will state that there is a Machine made at Dover, York county, Pa., which is called "Ball's Ohio Mower." having 2 driving wheels, and looking much like my machine; and it was reported in some places last year that they were some of my Machines. They proved a perfect cut their crops. I wish to inform the farmers that they were none of my machines. There is considerable difference in the two Machines.

Persons coming to my shop may see the difference, as I have both Buck Eye and Bull's here.
