THE FATHERLAND:

BY JAMES RÉSSELL LOWELL. Where is the true man's fatherland? Is it where he by chance is born? Doth not the yearning spirit scorn In such scant borders to be spanned?

O, yes! his fatherland must be

As the blue heaven wide and free! Is it alone where freedom is, Where God is God and man is man? Doth he not claim a broader span, For the soul's love of home than this? O, yes! his fatherland must be

As the blue heaven wide and free !

Where'er a human heart doth wear Juy's myrtle wrenth or sorrow's gyves, Where'er a human spirit strives After a life more true and fair, There is the true man's birth-place grand, His is a world-wide fatherland!

Where'er a single slave doth pine, Where'er one man may help another,-Thank God for such a birthright, brother. There is the true man's birth-place grand, II.s is a word-wide fatherland!

MISCELLANY.

Skating for Life.

The following fragment of a most thrilling narrative is taken from the American had barbaronaly murdered the brosher of Mr. Weatherelt Cumpneys, a rich Canadian, who resolved upon a deadly vengeance. It this gentleman himself who nairates how he sought for the necomplishment of his nim: Night after night I fay concealed on the border of the river Sengog, awaiting the murderer. I was armed with pistils and wore PORMERLY of Carroll county, Md., having GEORGE ARNOLD has procured the ser-skutes. Skuting was an amusement which I permanently located in Gettysburg, offers George W. T. KING, and has commenced had excelled in when a school-boy, and facilskates. Skating was an amusement which I a cloudle-saky. I could have shot the vil-tain as he skated by me within fify yards; ner, and in city tyle on short notice. Custom but I could not risk the chance; and besides tron with Mr Arnold's store, where Mr. King my hi long-place, than with a shout of exultation I started on his track. Offer swerved a in-ment to see who his pursuer was; then, quick as lightening, tried to doubte up the river again. But I had anticipated this; and with a cooked pietol in either han i, I barred his massage. With a curse, he turned and BALTIN RE, Mo., Seped swiftly down the ice.

operation performed are espectfully invited to Ven. tian: Carpe's of every style and pric . Oil switt steel cutting its way over the imprisoned performed are respectfully invited to Ven. tian: Carpe's of every style and pric . Oil switt steel cutting its way over the imprisoned peall. Reverseces: Drs. Horner, Rev. C. P. Cloth from 1 to 8 yards wide. Matting, Russ, Sengog. The moon lit menobly to my venge. make, constantly on hand, all of which will be a savage glee that I was a match for even the most swift-footed Indian, O'ier became aware of this, too, for now and again he would skate from this wated in river, and that was over

> the air; but he dared not stop, and on be durted again with a Jell of de-pair, which echoed weirdlike up the channel. Another sound came to my ears an i I knew what had lly, that he has opened a new Tinning es- were nearing them fast. Still she walls of lessened his frail hopes of escape. One

Honrser and louder grew the noise of the waters. If I thanked the Almighty in frantie prayer that the murderer was delivered into my hand, I humbly trust that I may be for iven now. From the time I had first started on Olier's track, we maintained exacily the same distance between us-perhaps a hundred or a hundred and fifty yarde. still grasped my loaded pistois, ready for any stratagem on the part of the municre

And now the crash of the falls came loud and ominous on the ear. Another five minutes would decide the lunt. Suddenly, Olior turned and stood at bay. He was not armed; I felt certain of that all along. for otherwise he would have measured strength with me before. Without abating my pace, I skated down upon him, holding a pistol in each hand. Still my purpose was as fixed as When I was within twenty yards of him, the down the river. With a yelling laugh I pur-

Deafening was the roar of the cataract; high into the pale sky ascended the mist of the spray, through which the splintered lines of the moonlight darted in rain-bow-tinted beauty. I could see directly the jazged line of the ice, where it was broken by the rapids immediately above the cataract; and beyond I could trace the dark volume of the Scugog as it emerged from its prison of snow and ice For an instant the indi-breed turned his face toward me, as I pressed with concentrated hate on his foot-steps; never shall I forget lain's features. It was a mercy that the sullen roar of the falls drowned his curses-1 knew that he was shricking curses on mefor they would have haunted me in after years,

With the courage that is begotten of darkest despuir, he dashed on to the brink of the come out of my own pocket." rapids, and the next moment I was alone on the ice! I guzed with stern joy on the dark over the falls. For a moment I thought I swiftness as to leave behind the four-in-hand could perceive the murderer struggling in the carriages of the Jockey Club, which endeaveddles; but the illusion, if it were one, could ored in vain to keep up with it. The invenlive only for an instant. The cateract was for is said to be a poor man, who has construct-

We would call the special attention of the community to the production of the best "Imperial Tea," by Mrs. Smith, that an article which so largely interests the household econo my may be brought within the reach of every amily, is a subject very well worthy the consideration of the Monallen Agricultural Society. JOHN BURKHOLDER, Pres't.

Gro. Wilson, Sec'y. Gen. Sam Houston on the Territories .- The Houston Telegraph publishes the following le .ter from Gen. Houston on the subject of slave-

ry in the territories :-Austin, Texas. Aug. 20, 1860. Dear Sir-Your letter of the 12th has this moment renelled me. Replying, I would say that Congress has no power over the subject of slavery. The territories are but the cre-tures of Congress, and Congress, having no power to legislate upon the subject of slavery, t cannot invest the territories with that which it does not possess. A territory can exercise no power whatever in relation to slavery .-A beautiful Rifle, "Sharpe's" manufacture, A State only has the power to establish or exhibited by Thomas McCausland, of Hanover, anolish it. This is the true Democratic ereed, attracted a great deal of attention, from the as I understand it, on the subject. A terrifact that it was purchased from a Baltimore torial convention preparatory to becoming
