☞THE PUBLIC BLESSING which is now universally admitted to exist in Moffat's Life Pills and Phœnix Bitters, is every day demonstrated by their astonishing efficacy in the cases which they are announced to cure. All the complaints of the stomach and bowels, weakness of the digestive organs and of the system generally, bilious and liver affections, slight fevers, head aches, piles, costiveness, consumption, rheumatism, scurvy, impurity of the blood, or blotched and sallow complexions, soon yield to their curative properties. A single trial invariably secures them the title of the best family medicines now before the public. For sale by the proprietor, W. B. MOFFAT, at his office, 335 Broadway, N. Y., and by S. S. WISTAR'S BALSAM OF WILD CHERRY.—Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Quinsy, and the numerous as well as dangerous diseases of the Throat, Chest and Lungs, prevail, in our changeable climate, at all seasons of the year: few are fortunate enough to escape their baneful influence. How important then to have at hand a certain antidote to all these complaints. Experience proves that this exists in Wistar's Balsam to an extent not found in any other remedy; however severe the suffering, the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

FROM GEORGE W. ETTER, ESQ., LUMBER MERCHANT.

MIDDLETOWN, DAUPHIN CO., PA., Apr. 24, '60.

Messrs. S. W. Fowle & Co.,—

About seven months since I was severely afflicted with Whooping Cough, and had almost given up the hope of recovery. It was a most violent attack of this destructive and dangerous disease. I had tried every remedy which I had heard recommended, but they all failed entirely, until a trial of DR. WISTAR'S BALSAM OF WILD CHERRY was commenced, the use of which gave immediate relief. Under similar circumstances, rather than be without the Balsam I would pay fifty dollars for a bottle of it, believing that it is the only certain antidote for the disease. I most cheerfully recommend this invaluable remedy to the public.

GEORGE W. ETTER.

FROM DAVID SLIFER, ESQ.

LEWISBURG, PA., May 7, 1860.

Seth W. Fowle & Co.,

Gentlemen: I have used Dr. Wistar's Balsam of Wild Cherry, and believe it to be an excellent remedy for Coughs, Colds, and Inflammation of the Lungs, and I recommend it most cheerfully. DAVID SLIFER.

☞*Caution to Purchasers.*—The only *genuine Wistar's Balsam* has the *written* signature of "I. Butts" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

☞Prepared by SETH W. FOWLE & CO., Boston, and for sale by A. D. Buehler, Gettysburg: E. Hiteshew, York Springs; Wm. Wolf, East Berlin; Solomon Chronister, Hampton; Jacob Fulweiler, Mummasburg; D. E. Hollinger, Abbottstown; M. Strater, New Oxford; John Miller, Littlestown; and by dealers everywhere.

PRACTICAL CALCULATOR.

Rohrer's Practical Calculator,

A Book of plain Rules and Calculations for Business Operations, by MARTIN M. ROHRER, Practical Surveyor and Conveyancer. New Edition. Published by J. B. LIPPINCOTT & Co., Philadelphia.

THIS Work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly PRACTICAL, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the HANDIEST BOOK OF REFERENCE, pertaining to calculations, that has ever been published.

Every Example in the book is WORKED OUT IN FULL, and stated in a plain manner, so that when a parallel case arises those referring to the work will find no difficulty in readily solving it; in a word, the general arrangement of the CALCULATOR is so simple, that any one who knows how to ADD, SUBTRACT, MULTIPLY, or DIVIDE, can easily solve any ordinary example that arises in business, or arrive at the true result of any estimate required.

The chief aim of the author has been to eschew theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules, or the science of figures, deeming it sufficient for their purpose to be able AT A MOMENT, by reference, to arrive at the TRUE RESULT. The CALCULATOR differs in this respect from all Arithmetics of the day and kindred works—it is a key to practical business calculations—it is, in the hands of the business man, what the key to mathematical works is in the hands of the teacher in the school-room—it facilitates time and correctness.

The Work treats of the Measurement of Land, of Lumber, of Brick and Brick Work, of Stone & Stone Work, of Grain and Grain Bins, of Coal & Coal Bins, of Wood, of Solids, of Circular, Square, or Irregular Vessels, of Cisterns and Vats, of Roofing, of Plasterers', Painters', Glaziers', Pavers', Plumbers', Paper Hangers', and Upholsterers' Work. It treats of Currency and of Foreign and Domestic Exchange, of the Decimal System, of Reduction and its extended application to Business, of Simple and Compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same, together with numerous commercial Forms,—of Legal Tender, of Partial Payments on Notes, of Banking and Bank Discount, of Equation of Payments and of Partnership Accounts, of Assessment of Taxes, of Weights and Measures, of Square and Cubic Measure, of the Square Root and its Application to Business, of Surface, or Excavation, and of many other important practical matters not within the scope of an advertisement to mention.

It is just the Book for the Farmer, the Mechanic, the Artisan, or the Professional man. It has proven a valuable auxiliary to the Lawyer, the Justice of the Peace, the Conveyancer, and Real Estate Broker, to the Assessor, the Banker, the Clerk, to the Civil Engineer and the Surveyor, to the Carpenter and Bricklayer, to the Stone Mason and the Plasterer, to the Paper Hanger and Upholsterer, to the Paver and the Tiler, &c., &c.; each and all will find it adapted to their various wants better than any book published.

☞Mailed (post paid) to any part of the United States upon receipt of the money.—Price of a single copy, in cloth, 60 cents, or two copies for $1 00. Bound in pocket-book form, Morocco, $1 00 per copy. Address,

Sands' Sarsaparilla,

THE GREAT AMERICAN REMEDY for Purifying the Blood, will be found a certain cure for SCROFULA AND SCROFULOUS DISORDERS. As an Alterative and Renovating Agent it is Unequalled! A plentiful supply of pure blood is essential to animal life. When the proper circulation of the vital fluid is impeded, sickness is the inevitable consequence, the secretions become unhealthy, the liver becomes clogged with impure bile, which forced into the system, vitiates and inflames the blood, engendering scrofula and cutaneous and biliary disorders. SANDS SARSAPARILLA will gently stimulate the functions of the stomach and bowels to a regular and healthy action, and without nausea or purging expel all deleterious accumulations, purify the blood, equalize the circulation, promote perspiration, improve the appetite, impart tone and vigor to the system, and gradually but surely extirpate the disease, causing all unsightly excrescences to disappear, and leaving the skin perfectly smooth and flexible.

☞Price $1 00 per bottle or 6 bottles for $5 00. Ask for Sands' Sarsaparilla and take no other.

Sixpence a Day,

ENOUGH FOR A FORTUNE.—A London paper states:—There is now in an Almshouse at Bristol an old man who states, that for sixty years he spent sixpence a day in drink, but was never intoxicated. How much would this sixpence a-day put by every year at five per cent. compound interest amount to in sixty years? enquired a thoughtful neighbor. Putting down the first year's saving (365 sixpences) equal to $43 54, he added the interest, and this went on, year by year, until he found that in the 60th year, the sixpence a day reached the startling sum of $14,336 28. Judge of the old man's surprise, when told that by saving his sixpence a day, and depositing it in a Savings Institution he might now, at the end of 60 years, have been worth that noble sum $14,336 28, which would have bought him a fine farm, or town mansion, and surrounded him with comforts and luxuries, and left a handsome estate to his children after him. He had, and hundreds now in our midst have, but to deposit sixpence a day in the FARMERS' AND MECHANICS' SAVINGS INSTITUTION OF ADAMS COUNTY, to accomplish this result.

Grand Jury Report.

TO the Honorable the Judges of the Court of Quarter Sessions of the Peace for the County of Adams:

The Grand Inquest of the county aforesaid, for the November Sessions of 1860, having concluded their labors, respectfully report (as a gratifying fact, speaking well for the morals of the county,) that but three bills of indictment were presented to us for our action, and those of light grade.

Our time was mainly occupied with the consideration of an application for the incorporation of the borough of Littlestown, and the consideration of Bridge Views.

The Grand Jury report that they visited the Prison, under the supervision of the Sheriff, Samuel Wolf, and found it well kept, and in excellent order; and but one prisoner in custody at the present time.

The Grand Jury also visited the Alms House, now accommodating about one hundred inmates, and cannot but express our gratification at witnessing the neatness and order of things exhibited, under the careful management of Jacob Culp, the Steward. The Farm presents a very promising appearance.

All of which is respectfully submitted.
