THE OXYGENATED BITTERS.—The qualities of this medicine have placed it upon an imperishable foundation. In destroying disease, and inducing health, it has no parallel.

For the following Complaints these Bitters are a Specific, viz.:—Dyspepsia, or Indigestion. Heart Burn. Acidity, Costiveness, Loss of Appetite, Headache, and General Debility.

In many sections of our country this preparation is extensively used by physicians in their practice, and it seems to have restored many to health who were apparently beyond the reach of the healing art.

REMARKABLE CASE OF AN AGED PERSON.

RICHMOND, Tioga co., Pa., Aug. 25, 1858.

Messrs. S. W. Fowle & Co: Gentlemen:—After suffering for thirty years with Dyspepsia, and trying many remedies recommended for that disease without any good result, I was induced by Dr. F. H. White to give the Oxygenated Bitters a trial. I took two bottles, which gave me much relief; I concluded to try two more, which have nearly or quite effected a cure. I am now nearly seventy-five years of age, and for three months past have eaten my food without experiencing the slightest inconvenience or suffering; and it is with pleasure that I recommend your remedy to dyspeptics.

A. HERARD.

FROM DR. WHITE.

MANSFIELD, Tioga co., Pa., Aug. 28, '58.

I have used the Oxygenated Bitters in my practice with decided success in debility and general prostration, &c., and confidently recommend it in general debility and diseases of the digestive organs. F. H. WHITE, M. D.

☞Prepared by SETH W. FOWLE & CO., Boston, and for sale by A. D. Buehler, Gettysburg; E. Hiteshew, York Springs; Wm. Wolf, East Berlin; Solomon Chronister, Hampton; Jacob Fulweiler, Mummasburg; D. E. Hollinger, Abbottstown; M. Staater, New Oxford; John Miller, Littlestown; and by dealers everywhere.

☞SAHADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is *full of Stoves of every pattern*; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Ware, of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

☞THE PUBLIC BLESSING which is now universally admitted to exist in Moffat's Life Pills and Phœnix Bitters, is every day demonstrated by their astonishing efficacy in the cases which they are announced to cure. All the complaints of the stomach and bowels, weakness of the digestive organs and of the system generally, bilious and liver affections, night fevers, head aches, piles, costiveness, consumption, rheumatism, scurvy, impurity of the blood, or blotched and sallow complexions, soon yield to their curative properties. A single trial invariably secures them the title of the best family medicines now before the public. For sale by the proprietor, W. B. MOFFAT, at his office, 335 Broadway, N. Y., and by S. S. Forney Agent, Gettysburg. [Feb. 13. 1y

Sands' Sarsaparilla,

THE GREAT AMERICAN REMEDY for Purifying the Blood, will be found a certain cure for SCROFULA AND SCROFULOUS DISORDERS. As an Alterative and Renovating Agent it is Unequalled! A plentiful supply of pure blood is essential to animal life. When the proper circulation of the vital fluid is impeded, sickness is the inevitable consequence, the secretions become unhealthy, the liver becomes clogged with impure bile, which forced into the system, vitiates and inflames the blood, engendering scrofula and cutaneous and biliary disorders. SANDS' SARSAPARILLA will gently stimulate the functions of the stomach and bowels to a regular and healthy action, and without nausea or purging expel all deleterious accumulations, purify the blood, equalize the circulation, promote perspiration, improve the appetite, impart tone and vigor to the system, and gradually but surely extirpate the disease, causing all unsightly excrescences to disappear, and leaving the skin perfectly smooth and flexible.

☞Price $1 00 per bottle or 6 bottles for $5 00. Ask for Sands' Sarsaparilla and take no other.

The Only Discovery

WORTHY OF ANY CONFIDENCE FOR RESTORING THE BALD AND GRAY.—Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:

Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co.: Gents.:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours, A. C. RAYMOND.

Aarons Run, Ky., Nov. 30, 1858.

Prof. O. J. Wood: Dear Sir:—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity of it.

Respectfully yours,
REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited:—but if you think it worthy a place among the rest, insert if you wish; if not destroy and say nothing. Yours, &c.,
REV. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $3.
