

Dr. Mott's MALTBEATE RESTORATIVE PILLS OF IRON. An aperient and Stomachic preparation of IRON perified of Oxygen and Carbon by combadios in Hydrogen. Sanctioned by the high-ast Medical Authorities, both in Europe and the United States, and prescribed in their prac-

imunition of nervous and muscular energy, will be sent to Every Young Man on application, from chronic complaints, one trial of this res- | FREE or CHARGE. Write immediately and you torative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridien as to have become forgotten in their own neighborhoods, have suddenly re-appearod in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marastaus, sanguineous exhaustion, critical Annges, and that complication of nervous and dyspeptic aversion to air and exercise for which

the physician has no name, In NERVOUS APPECTIONS of all kinds, and for

reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinute cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent s remedy for Piles, upon which it also appears to exart a distinct and specific action, by dispersing the local tendency which forms them. In Dysparsia, innumerable as are its causes, a single box of these Chalybeate Pills has often afficed for the most habitual cases, including the attendant Costiveness.
