The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of untural color? To all can and do suswer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better olored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the some result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my half-still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute lajury.
