Horrman, in this place, has had it thereughly repaired, by placing in it the necessary machinery for grinding himestone. The mill is now in operation and I am ready to supply any demand for this useful Fertilizer. GROUND LIME-STONE is now conceded by those who have tested it, to be a much better Fertilizer than Burnt Lime, or indeed any of the other Fertilizers generally sp-plied to land. The following Certificate from Mr. Digne, an extensive farmer, and highly respectable citizen of Adams county, will attest

the truth of this assertion:

"I have been trying the Ground Limestone on my land for the last four years and find is to be a better fertilizer than the Burnt Lime, and ORBAPER. It has given satisfaction in the first crop. PETER DIEHL."
