Terrible Accident.

Although we have miraculously escaped accident of any kind during the excitement and confusion which has reigned here for the last six days, we are pained at last to chronicle an accident which resulted in death.

About 10 o'clock a. m. yesterday Robert M'Call, of the town of Chester, in Delaware county, was in the company of Lieut. William Blakely, of the Union Blues, in front of the Jones House, The subject of conversation turning upon revolvers, Lieut. Blakely drew out his, and while showing it to Mr. M'Call it went off, the contents of the barrel entering the right breast of the latter. He was removed to the parlor, where he died in less than an hour. The Lieutenant was so seriously prostrated by the accident that fears for his life were entertained, and it is feared now that he is hopelessly insane.—The parties were fast friends.

Mr. M'Call was about 27 years of age, and one of the finest looking men we ever saw.—He came from Philadelphia this morning for the express purpose of bidding his numerous friends good-bye. His accidental death caused the most profound sorrow among the Union Blues, all of whom knew him and esteemed him. His remains will be taken home.

This should serve as a warning to all who carry loaded revolvers about their persons, for which there is really no existing necessity here. Several companies armed with weapons of this kind, discharged them immediately after the accident.—*Harrisburg Patriot, 23d.*

A Thrilling Incident.—One of the most thrilling incidents connected with the military operations of the day took place at Camp Curtin on Saturday afternoon. A number of persons were engaged in raising the stars and stripes over the main building used as the head quarters of the officers, and just as everything was in readiness, and the men had seized the halyard to run up the flag, a large eagle came from no one knew where, *hovered over the flag, and sailed majestically over the encampment while the flag was running up.* Thousands of eyes were upturned in a moment, and as the noble bird looked down, the cheers of three thousand men rent the air. Never was such an ovation paid the "Imperial Bird of Jove." It lingered for a few minutes, apparently not a particle frightened at the terrific noise—then cleaving the air with his pinions he disappeared in the horizon.—*Harrisburg Patriot.*

Federal Troops at Cairo.—A despatch from Louisville states that one thousand Federal troops are at Cairo, and that four thousand additional are expected soon. We have no reason to doubt the truth of this. We understand that the Indiana troops now at Indianapolis have received orders to march, and their destination is West. We also learn that no more of the Ohio troops will be sent East, and those now at Columbus will be sent West. From the givings out, we suppose the object of the gathering at Cairo is to blockade the Mississippi; so as to prevent all boats passing down which shall contain provisions or warlike stores.—That will tell seriously on St. Louis, Memphis and New Orleans.—*Cincinnati Enquirer, 24th.*

Indiana.—Hancock county is the Democratic stronghold of the Sixth District; a meeting was held a few days since, when, among others, the following resolution was unanimously adopted:

Resolved, That as Democrats and patriots, we will vie with our political opponents of other parties in our devotion to the Union, and in our support of the lawfully constituted authorities of the Government, in the faithful execution of their duties.

Military Movements in Ohio.

Washington, April 18.—Quartermaster-General Wood, of Ohio, arrived here yesterday, and made the necessary arrangements with the War Department for the disposition of the Ohio troops. In addition to the thirteen regiments (10,000) called for from that State, Ohio offers to raise 20,000 more, armed and equipped at her own expense. Two of the thirteen regiments called for are out immediately for this city, to be mustered into the service here instead of through the Governor.

NEWBURYPORT, Mass., April 24.—Hon. Caleb Cushing addressed the citizens this afternoon at a flag-raising. He said that he considered his duty to his country as paramount to every other consideration, and he was ready on the field of battle to live or die in defence of his native State or of the Union.

The Lancaster has contributed $20,000 to the support of the families of the volunteers now serving their country.

The City Council of Louisville have appropriated $600,000 for the defence of the city.

There were flying rumors a few days ago of a fight at Fort Pickens, but so far the rumors are not confirmed.

The Southern ports have been blockaded, by proclamation of the President.

ARTICLE 1.—Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.—*Constitution of the United States.*

Communicated.

Near Emmitsburg, Md., on the 2d of April inst., Mr. JACOB A. RIDDLEMOSER, son of Joseph and Holy Riddlemoser, aged 25 years. May he rest in peace.

Rest, brother, rest, thy spirit's gone,
An angel hand conveyed thee home;
Oh, may thy body rest in peace
And all thy sorrows ever cease.

I've gazed upon thy clay, cold face,
And tried some mark of life to trace;
Oh speak, dear brother, once to me,
Before thee land on Calvery.

My cup of sorrow is running o'er,
And joys that were shall be no more;
Then, brother, friendly bid me come,
And heaven shall be our lasting home.

We'll join our friends who have gone before,
And all our troubles will be o'er;
A token of thy memory give,
And teach me to rather die than live.

Make me to feel and own his grace,
Whose house is a happy resting place;
Oh brother, how I think of thee,
Though thou art in eternity.

No, not while breath remains in me,
Will I cease to think of thee—
My memory on thy face shall dwell,
And breathe the sacred word farewell.

☞The government property at Norfolk has been destroyed by order of the National authorities. The property destroyed embraced buildings, including the work-shops, small arms, chronometers, engines and machinery, and the ships Pennsylvania, Merrimac, Raritan, Columbia, and brig Dolphin—burnt to the waters edge; the sloop Germantown broken and sunk, and the Plymouth scuttled and sunk even with the deck.

Special Notices.

☞SHEADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Warre of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

TO CONSUMPTIVES.—The Advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered several years with severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge,) with the directions for preparing, and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitis, &c. The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address REV. EDWARD A. WILSON,
Williamsburg, Kings county,
Oct. 22, 1860. 1y New York.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people the receives are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

☞Among the many restoratives which nature has supplied to relieve the affliction of humanity, there is no more favorite one for a certain class of diseases than the "medicinal gum" of the Wild Cherry Tree; but however valuable it is, its power to heal, to soothe, to relieve, and to cure, is enhanced ten fold by scientific and judicious combination with other ingredients, in themselves of equal worth.—This happy mingling exists in that

"Combination and a form indeed"

of medicine known as

DR. WISTAR'S BALSAM OF WILD CHERRY,

whose value in curing Coughs, Colds, Bronchitis, Whooping Cough, Croup, Asthma, Pulmonary Affection, and Incipient Consumption, is inestimable.

STRONG TESTIMONY FROM E. S. KENDIG, ESQ., PROPRIETOR OF THE RAILROAD HOTEL, IN MIDDLETOWN.

MIDDLETOWN, DAUPHIN CO., PA., Apr. 24, 1860.

Messrs. S. W. Fowle & Co:—

I have used the BALSAM OF WILD CHERRY in my family for a number of years, and can testify to its wonderful efficacy in the cure of diseases of the Lungs and Throat, and for Hoarseness and Bronchial Affections. In all these diseases, I have used it with unprecedented success. A severe cough or cold always yields to it when administered according to directions, and I can cheerfully recommend it to the public as a sure antidote to these complaints.

I deem it my duty, for the benefit of the public, to announce that there is a *counterfeit* Balsam in the market. About a year since I purchased a bottle at a druggist's at Harrisburg, which I found to be a worthless and spurious article, producing nausea and sickness. It was entirely different from that which I have since purchased of Jacob Hener, druggist, in this place, which has the written signature of "I. Butts," as well as your printed name, on the outside wrapper. E. S. KENDIG.

Caution to Purchasers.—The only *genuine Wistar's Balsam* has the *written* signature of "I. BUTTS" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

☞Prepared by SETH W. FOWLE & CO., Boston, and for sale by A. D. Buehler, Gettysburg; E. Hitesher, York Springs; Wm. Wolf, East Berlin; Solomon Chronister, Hampton; Jacob Fulweiler, Mummasburg; D. E. Hollinger, Abbottstown; M. Stanter, New Oxford; John Miller, Littlestown; and by dealers everywhere.

In extreme cases wet cotton with the Balm, and cover the tooth and gums. For Headache, bathe the temples and apply to the nose; and take from ten to thirty drops in half a tumbler of water, sweetened.

For Croup and Sore Throat, take from ten to thirty drops internally, on sugar or in sweetened warm water; bathe the throat freely and bind on a flannel. For Headache, Rheumatism, Neuralgia, Lame Back or Side bathe freely with Balm in Gilead; and generally take internally.

For Burns mix one part Balm in Gilead and two of water and flour, to make a paste, cover the burn with the same. For Colic, take from ten to forty drops in hot water; bathe the bowels and apply wet flannels. In the above, the smaller dose is for children, and the larger for adults; vary according to age and circumstances.

Colbert's Balm in Gilead is harmless. Colbert's Balm in Gilead gives satisfaction.
