STEAM LIME MILL, CORNER OF WEST AND RAILROAD STREETS, NEAR THE FOUNDRY.—The subscriber, having leased the Steam Mill of Mr. C. W. HOFFMAN, in this place, has had it thoroughly repaired, by placing in it the necessary machinery for grinding Lime-stone. The mill is now in operation and I am ready to supply any demand for this useful Fertilizer. GROUND LIME-STONE is now conceded by those who have tested it, to be a much better Fertilizer than Burnt Lime, or indeed any of the other Fertilizers generally applied to land. The following Certificate from Mr. DIEHL, an extensive farmer, and highly respectable citizen of Adams county, will attest the truth of this assertion:

☞ "I have been trying the Ground Lime-stone on my land for the last four years and find it to be a better fertilizer than the Burnt Lime, and CHEAPER. It has given satisfaction in the first crop. PETER DIEHL."

Numerous other certificates of like character could be produced, but this is sufficient.

☞ Farmers are requested to send in their orders and to give it a trial.

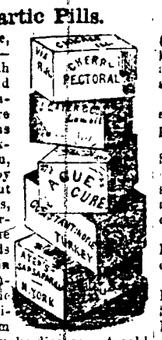
Ayer's Cathartic Pills.



ARE you sick, feeble, and complaining?—Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and *cleanse out the disordered humors*—purify the blood, and let the fluids move on unobstructed in healthagain. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again! What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant at St. Louis, Feb. 4, 1856.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

AS A FAMILY PHYSIC.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

HEADACHE, SICK HEADACHE, FOUL STOMACH.

From Dr. Edward Boyd, Baltimore.

Dear Bro. Ayer: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Pittsburg, Pa., May 1, 1855.

Dr. J. C. Ayer—Sir: I have been repeatedly cured of the worst headache any body can have by a dose of two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect,

ED. W. PREBLE, Cl'k of Steamer Clarion.

BILIOUS DISORDERS—LIVER COMPLAINTS.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aspherient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the Interior,
Washington, D. C., 7th Feb. 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their invigorating action on the liver is quick and decided. Consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours,

ALONZO BARR, M. D.,
Physician of the Marine Hospitals.

DYSENTERY, DIARRHŒA, WORMS.

From Dr. J. G. Green of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. The alterative effect upon the liver makes them an excellent remedy, when given in small doses, for bilious dysentery and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

DYSPEPSIA, IMPURITY OF THE BLOOD.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family, and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Warsaw, Wyoming co., N. Y., Oct. 24, '55.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

CONSTIPATION, COSTIVENESS, SUPPRESSION, RHEUMATISM, GOUT, NEURALGIA, DROPSY, PARALYSIS, FITS, ETC.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Ton.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

Pulaski House, Savannah, Ga., Jan. 6, '56.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism.—Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec. '55.

Dr. Ayer: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in *skilful hands, is dangerous* in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.
Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

☞ Sold by A. D. Buehler, Gettysburg; P. Boblitz, Arendtsville; Paxton & McCreary, Fairfield; P. A. Myers, New Chester; M. Stanter, New Oxford; E. Hilteshow, York Springs; and dealers generally.

BOOKSELLERS AND PUBLISHERS, 37 North Third st., Lower Side, above Market, PHILADELPHIA, invite the attention of Teachers, Booksellers and Country Merchants to their very large Stock of School Books, published in this and other cities, together with Miscellaneous and Blank Books, Paper and Stationery generally. S. B. & Co. are publishers of many Popular Works, among which are the following:

THE SERIES OF NORMAL ARITHMETICS.

By Edward Brooks, A. M., Professor of Mathematics in Pennsylvania State Normal School. Whatever helps the student to a thorough understanding of his study, unassisted by his Teacher, acts as a powerful stimulant upon him, while it releases the Teacher from the labor of making explanations which would be unnecessary with a more perfect Text Book.

The series above named has been published but a short time, and yet within a few months, without advertising or puffing, the demand amounts to almost one hundred thousand copies. Some of their advantages may be briefly stated, as follows:

1. They contain more new matter than any similar series.

2. They exhibit a number of new arithmetical solutions to problems that have heretofore been confined to Algebra.

3. *The matter is arranged more philosophically* than in others, and is therefore better adapted for instruction.

4. No solutions or phrases, signs or figures are introduced in lessons previous to those in which they are fully explained, and the pupil is thus led along without the necessity of frequent and troublesome explanations on the part of the teacher. Very few elementary works have this merit.

5. New modes of Teaching are suggested throughout the series, and under the name of "Social Arithmetic," curious and interesting problems are introduced, which may be used with advantage in wakening up the attention, and sharpening the faculties of the school.

6. The key is not only what its title imports, but it is also a complete treatise on the art of teaching Mental Arithmetic; being filled with hints useful to the Teacher.

The everyday practical value of Mental Arithmetic to every one who receives or pays money, if only for the daily necessaries of life, is now universally admitted. It therefore becomes imperative upon teachers to practice the best method of teaching it.

The books are beautifully printed on thick white paper, and neatly and tastefully bound. Their prices are as follows:

Normal Primary Arithmetic	15 cents.
Normal Mental Arithmetic	25 "
Key to Mental Arithmetic	25 "

A very liberal deduction to Teachers, and those who buy in quantities. Single copies sent to Teachers by Mail, on receipt of one-third of the above prices to pre-pay postage.

SANDER'S SERIES OF READERS.

Consisting of Primer, 12½ cents; Speller, 13 cents; First Reader, 13 cents; Second, 30 cents; Third, 40 cents; Fourth, 66 cents; Fifth, 75 cents; High School, 88 cents; Young Ladies, 88 cents; and Sander's New Speaker, $1,00; elegantly printed, beautifully illustrated, substantially bound, and sold at lower prices than any other Series of Readers.

WHITE'S COPY BOOKS.

By T. Kirk White, President of Pennsylvania Commercial College. The writing is beautiful yet simple, practical and easily taught, the system being founded on natural habits and principles. The sale has become very large and is increasing. They afford a liberal profit to dealers.

PELTON'S OUTLINE MAPS.

This series of Six Superb Maps is now adopted in almost every school of note in the Union, where Geography is taught, and has no equal.

PHYSICAL GEOGRAPHY has been introduced upon the Hemisphere Maps, all its details having been so arranged as to present a most gorgeous appearance, while they do not interfere with each other or the subjects usually shown upon Maps, and are easily taught and understood by Teacher and Pupil. Price $25 for full set of six Maps, or $10 for set of Hemisphere Maps alone.

Dr. Mott's

CHALYBEATE RESTORATIVE *PILLS OF IRON.*

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.
