OXYGENATED BITTERS.—*A Query.* Why will you suffer? Dyspepsia is a brief but comprehensive term for the numerous diseases which affect the stomach, liver, and in fact the whole human system. Until Dr. Green discovered the Oxygenated Bitters, medical science was at fault and had exhausted itself in fruitless efforts to cure this disease. The Dyspeptic need suffer no longer with a disease that is always painful, and frequently a fatal affliction.

This unique and peculiar compound will as certainly cure the disease as the disease exists. Had it not this power, such testimony as follows would not be given in its favor:

DYSPEPTICS, READ!
ASHELOT, Oct. 6, 1859.

Messrs. S. W. FOWLE & Co:—

Gents.—Nine years ago I was so much reduced in strength as to be unable to attend to the common duties of my household, and suffered from a complication of diseases that truly rendered life a burden. I resorted to various physicians of acknowledged skill, but without relief, and my case was considered beyond the possibility of cure; but at this juncture I made use of the Oxygenated Bitters, and so rapidly did I mend that the effect was wonderful. My physician's distrust of the medicine gave place to the utmost confidence in it. After a lapse of years, I now remain in the enjoyment of good health, and have ever found the Bitters a never-failing antidote for the various symptoms which arise from constitutional derangements. I have since recommended them to several of my friends, with uniform and satisfactory results. CATHARINE RAYMOND.

FROM REV. N. N. BEERS.

An influential and highly respectable Clergyman, lately a resident of Bath, N. Y.

BATH, N. Y., Dec. 23, 1859.

Messrs. SETH W. FOWLE & Co., Boston:—

One year ago last summer and autumn, I was very much afflicted with Dyspepsy, from which I found complete relief by taking the Oxygenated Bitters. I have entire confidence in them as a sure remedy for that disagreeable complaint. Yours, with much respect,

N. N. BEERS, Pastor M. E. Church,

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

TO CONSUMPTIVES.—The Advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered several years with severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge,) with the directions for preparing and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitis, &c. The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address REV. EDWARD A. WILSON,

The Death of Senator Douglas at Chicago.

CHICAGO, June 4.—At a meeting of the various committees consisting of the State and municipal authorities and others, held this morning, a committee was appointed to present to the family of Judge Douglas the unanimous wish of the people of Illinois that his remains should be permitted to remain in this State for interment.

Col. Richardson, as the organ of this committee, performed the delicate duty of communicating to the family the wishes of the committee, and at a general meeting here J. D. Caton, esq., reported that an affecting meeting had taken place between Col. Richardson and Mrs. Douglas, the result of which was that in due appreciation of the spontaneous expression of the wishes of the people of Illinois that the remains of the illustrious dead should be interred in the State, that she yielded with pain but not with reluctance.

It is the desire of Mrs. Douglas that his remains be interred at Cottage Grove, near the Lake shore, so that she may be enabled to reside in the immediate vicinity. No more appropriate place could be selected.—There is already a monument there, erected by himself, of enduring honor in the magnificent institution of learning built by his liberality.

☞ A dispatch from Richmond to the Mobile Advertiser, dated Friday week, says: "Gen. Beauregard and staff will arrive to-morrow, and Secretary Walker is expected on Saturday. Great activity has prevailed since the President arrived. He is prudent but confident and firm. No backward action will be permitted."

It has been stated that Mr. S. R. Todd, who accompanied Jefferson Davis to Richmond, is a brother-in-law of Mrs. President Lincoln. He is that lady's own brother, and by occupation is a clerk in New Orleans. His employers permit his salary to go on while he is engaged in the service.

MARRIED.

In Philadelphia, at the house of Richard Oakford, on the 9th inst., by Friends' ceremony, in the presence of Alexander Henry, Mayor, SAMUEL W. MIFFLIN, of Columbia, Pa., to HANNAH, daughter of William Wright, of Plainfield, Adams county, Pa.

At the M. E. Parsonage, on the 6th inst., by the Rev. G. Stevenson, Mr. CHARLES GILBERT, of this place, to Miss MARY A. SNYDER, of Mountjoy township.

On the 30th ult., by the Rev. J. G. McKeehan, Mr. THOMAS J. HIMES, of Shippensburg, Cumberland county, Pa., to Miss HELEN A., daughter of William Himes, of New Oxford, Adams county.

On the 26th ult., in Littlestown, by the Rev. S. Henry, Mr. JOHN H. LAMBERT, of Carroll county, Md., to Miss ANGELINE E. WOLF, of Taneytown, Md.

On the 28th ult., at the Evangelical Lutheran Parsonage, Littlestown, by the same, Mr. JOHN SHEELY to Miss JOSEPHINE STALEY, both of this county.

On the 7th inst., by Rev. Jacob Ziegler, Mr. CRAIG F. WISOTZKEY of this place, to Miss MARY JANE CASSAT, of Cumberland township.

☞ The notice, in our last, purporting the marriage of Samuel March to Catharine Hoover, turns out to be a *Hoax*. No such marriage has taken place. The notice was sent by letter to the editor of the *Sentinel*, but as this paper appeared before his letter reached the manuscript to us, and it was accordingly published. There is a law to punish such impositions upon publishers of newspapers, and our earnest wish is that the perpetrator of this act of folly—to call it by no harsher name—may be found out and given the full extent of the law. A severe example would no doubt put a stop to the reprehensible practice.

DIED.

On Friday last, in this place, Mr. D. JESSE CULP aged about 54 years. The Odd Fellows and a large number of friends and relatives attended the funeral.

Yesterday evening, in Mountjoy township, Mr. HENRY HEMLER, aged about 56 years.

On the 1st inst., Mr. PETER RICE, of Bendersville, aged 67 years 8 months and 4C days.

On the 3rd inst., JOHN WM., son of Mr. Geo Settle, of Franklin township, aged 4 years 6 months and 5 days.

Communicated.

In Mountpleasant township, on the 24th ult., after a long and painful illness, Mr. JOSEPH HEMLER, aged 69 years. Dying, he left no enemy behind him, because while living he made none; but he has left many friends to lament his separation from them. He was an exemplary christian and citizen in the fullest extent of the word. Friendship the most sincere had an abiding place in his heart. He was a kind husband and father. His unshaken faith in our Divine Redeemer and in His holy religion, the calm, serene tranquility and peace of mind exhibited by him in his last moments, inspired those friends that surrounded his dying bed with an assured hope that he has exchanged a world of affliction and trouble for the unspeakable and everlasting joys of a happy immortality in the blissful fruition of his God.

Communicated.

In Martinsburg, Va., on the 17th ult., Mrs. ROSELIA, wife of Mr. Pius Hemler, aged about 25 years.

Birds of Eden on the morrow,
Warble dirges o'er her grave;
Velvet leaf and snowy blossom,
Crowned her young and radiant brow.
Over her white unheaving bosom
Lilly hands are folded now.
Gentle Rosie, loving Rosie,
Sleeping by the morning tide;
Never more shall sickness grieve her,
Who in youthful beauty died.

Communicated.

On the 27th of May, in McSherrystown, Conowago township, in his 19th year, after twelve days suffering from membranous inflammation of the throat, (diptheria,) LOUIS GEORGE, youngest son of Dr. W. L. & E. Hombach.

Sleep, brother dear, and take your rest;
God called you home, He thought it best;
'Twas hard, indeed, to part with thee,
But Christ's strong arm supporteth me.

BOY TAKEN OFF HIS CRUTCHES IN TWENTY MINUTES!
Alexandria, Va.

Prof. De Grath—Dear Sir:—My son had his foot badly cut and swollen from sticking a nail into it, and was totally unable to walk without a crutch, when, by one application of your Electric Oil, he was immediately cured and able to walk without his crutch. I believe he was saved from being lame thereby. I recommend your Oil to all afflicted.

Yours, truly,
JOHN ARNOLD, Hatter.

Rheumatism, Neuralgia, and all pains cured at once, by this great Oil.

The Cures made by Prof. De Grath with his "ELECTRIC OIL," are almost miraculous, and so wonderful and instantaneous, so satisfactory, and mitigating of human ill, as to call upon public functionaries, and those having charge of public institutions for the sick and suffering, to look well into the well attested merits, the simple efficacy of this "Electric Oil," for the cure of diseases on man and beast.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called DE GRATH'S "ELECTRIC OIL," for the relief and cure of man and beast. But the people themselves are rendering their verdict in a manner both unmistakeable and satisfactory. More than five hundred thousand bottles have been sold in a very short time—a great proportion to those who heard others recommend it, who had tried it. That it is a splendid discovery, is everywhere acknowledged, and nothing like it was ever before prepared.

The only Genuine "Electric Oil" is Prof. De Grath's, which is to be had at all the respectable Druggists in the United States, and at wholesale and retail, at the Proprietor's prices, of the Agent. Price 25 cents, 50 cents, and $1 per bottle. 117 S. 8th street, Philadelphia, Principal Depot.
