Something Wrong.—On Tuesday morning a number of companies from "Camp Chambers," near this place, broke the guards and rushed to town to procure something to eat. These men appear perfectly reckless and desperate and must become utterly demoralized unless their wrongs are speedily righted. They complain bitterly of the scarcity of provisions—the meat, they say, is frequently putrid and the bread never in sufficient quantity, and oftentimes none at all, which, they state, was the case all day Monday and Tuesday morning. The hungry men would stand it no longer and made a rush to town for something to eat. We do not know whether it is "red-tape," or too much whiskey, that occasions this shameful neglect of the men, but from whatever cause it proceeds, we hope to see it remedied speedily and effectually. We intend to stand up for the rights of our volunteers, and unless their condition is improved, and their necessary wants are supplied, we will be compelled to make an expose that may occasion some fluttering among the "brass buttons."—*Chambersburg Spirit.*

Death of Hon. Thomas S. Bell.—This eminent and distinguished politician and jurist, died in Philadelphia last Thursday, from the effects of a cancer, with which he had been suffering for a long time. Judge Bell was born in that city in 1801, studied law with the Hon. James M Porter, at Easton, and settled in West Chester where he practiced and presided as a lawyer and a judge with great ability and deserved distinction.

☞A day or two ago the citizens of Elizabeth, N. J., raised a large American flag over the residence of Gen. Scott, in that place.

Ex-Gov. Wise in the Field.—It is stated that Henry A. Wise has been appointed a brigadier general in the Confederate army, and is to raise a legion for operations in Western Virginia.

OXYGENATED BITTERS.—*A Query.* Why will you suffer? Dyspepsia is a brief but comprehensive term for the numerous diseases which affect the stomach, liver, and in fact the whole human system. Until Dr. Green discovered the Oxygenated Bitters, medical science was at fault and had exhausted itself in fruitless efforts to cure this disease. The Dyspeptic need suffer no longer with a disease that is always painful, and frequently a fatal affection.

This unique and peculiar compound will as certainly cure the disease as the disease exists. Had it not this power, such testimony as follows would not be given in its favor:

DYSPEPTICS, READ!
ASHLAND, Oct. 6, 1859.

Messrs. S. W. Fowle & Co:—

Gents:—Nine years ago I was so much reduced in strength as to be unable to attend to the common duties of my household, and suffered from a complication of diseases that truly rendered life a burden. I resorted to various physicians of acknowledged skill, but without relief, and my case was considered beyond the possibility of cure; but at this juncture I made use of the Oxygenated Bitters, and so rapidly did I mend that the effect was wonderful. My physician's distrust of the medicine gave place to the utmost confidence in it. After a lapse of years, I now remain in the enjoyment of good health, and have ever found the Bitters a never-failing antidote for the various symptoms which arise from constitutional derangements. I have since recommended them to several of my friends, with uniform and satisfactory results. CATHARINE RAYMOND.

FROM REV. N. N. BEERS.

An influential and highly respectable Clergyman, lately a resident of Bath, N. Y.

BATH, N. Y., Dec. 25, 1859.

Messrs. Seth W. Fowle & Co., Boston:—

One year ago last summer and autumn, I was very much afflicted with Dyspepsia, from which I found complete relief by taking the Oxygenated Bitters. I have entire confidence in them as a sure remedy for that disagreeable complaint. Yours, with much respect,

N. N. BEERS, Pastor M. E. Church,
Lawrenceville, Pa.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

TO CONSUMPTIVES.—The Advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered several years with severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge,) with the directions for preparing and using the same, which they will find a sure *Cure for Consumption, Asthma, Bronchitis, &c.* The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address REV. EDWARD A. WILSON,
Williamsburg, Kings county,
Oct. 22, 1860. By New York.

Western Virginia Convention.

Wheeling, June 12.—The Western Virginia Convention met here yesterday and after a temporary organization adjourned till this morning. About forty counties are represented.

Arthur J. Boreman, of Wood county, was chosen permanent chairman, and delivered a patriotic address.

The programme of the convention seems to be a provisional government for the State, and the deposition of the present State authorities.

Wheeling, June 12, P. M.—This afternoon a committee of thirteen was appointed to prepare business for the convention. Resolutions were submitted for the separation of Western Virginia from the State and the formation of a new State, the preparatory arrangements to be submitted to a Legislature, to be convened in this city. This mode is preferred, in order to avoid a burthensome State debt, which Western Virginia had no part in incurring.

Wheeling, June 12.—In the Western Virginia Convention this morning, the business committee reported resolutions offering a bill of rights for adoption, repudiating all allegiance to the Southern Confederacy, and vacating the offices of all who adhere to it, whether Legislative, Executive or Judicial. No dissenting opinion was expressed in relation to the measure, and it was made the special order for to-morrow.

Mr. Paxton of Ohio county, offered a resolution declaring the grievances of Western Virginia, declaring an intention never to submit to the ordinance of secession, but to maintain the rights of Virginia in the Union.

The resolutions were adopted.

Mr. Frost, of Jackson, offered a resolution, calling on all persons in rebellion to disband and return to their allegiance to the Constitution.

Alexandria, Va.

Prof. De Grath—Dear Sir:—My son had his foot badly cut and swollen from sticking a nail into it, and was totally unable to walk without a crutch, when, by one application of your Electric Oil, he was immediately cured and able to walk without his crutch. I believe he was saved from being lame thereby. I recommend your Oil to all afflicted.

Yours, truly, JOHN ARNOLD, Hatter.

Rheumatism, Neuralgia, and all pains cured at once, by this great Oil.

The Cures made by Prof. De Grath with his "ELECTRIC OIL," are almost miraculous, and so wonderful and instantaneous, so satisfactory, and mitigating of human ill, as to call upon public functionaries, and those having charge of public institutions for the sick and suffering, to look well into the well attested merits, the simple efficacy of this "Electric Oil," for the cure of diseases on man and beast.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called DE GRATH'S "ELECTRIC OIL," for the relief and cure of man and beast. But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory.
