Peace Movement.

We find from the Newark (N. J.) papers that the people of that city who are in favor of peace are holding meetings to express their views. At an adjourned meeting held one evening last week, the following resolution was unanimously adopted:

Whereas, That in view of the present deplorable condition of the country, the members of this meeting deem it their duty, and in accordance with their *constitutional* rights, to petition the Congress of the United States *about to* assemble, to interpose if in their judgment it is best for them so to do, their power to put an end to the present troubles now existing in this our once prosperous and happy but now distracted country, and to save us from the ravages of civil war.

Resolved, That a committee of ten be appointed by the chair to prepare and circulate a petition for signatures of those persons who may be in favor of permanently restoring peace and prosperity to our unfortunate country.

A letter from New York says:

Notwithstanding the indignation of some of our ultra political journals, wherever the very thought of peace is whispered, I can assure you that a very earnest movement is on foot in this city, with a view to memorialize Congress in favor of compromise, on the basis of the Crittenden or Border State resolutions, rejected at the last session.

The President's Message.

The Washington correspondent of one of the New York papers says:

The President is making good progress with his message. It will take the highest ground in favor of prosecuting the war with the utmost vigor, and of finishing it by winter if that be possible. To make it possible, he will recommend a call for 500,000 men, and an appropriation sufficient to cover all necessary expenditure, at a cost of $200,000,000. The Governors of all the free States have been written to on this subject, and have, with only two exceptions, responded heartily, so that the President, in making these recommendations, feels that he is backed by the people, speaking through their constituted authorities. There can be no doubt that Congress will pass bill-in-conformity with these suggestions, both to increase the army and to supply funds for all needful purposes.

The Work for Congress.—The Northern press is now turning its attention to the work of the extra session of Congress, and furnishes programmes of business to be done. The following is the plan of one of them:

The first thing Congress must do is to pass an indemnity bill in favor of the President, to protect him against the legal consequences of those unconstitutional acts which necessity has compelled him to adopt for the preservation of the government.—In the next place Congress ought to provide for the expenses of the war. To do this effectually, instead of borrowing from merchants, it ought to establish a national bank, with a capital of one hundred and fifty millions, whereon the government would be enabled to obtain a loan of fifty millions immediately upon the security of the deposits and the incoming revenue. The next thing to be attended to is the increase of the navy and the efficiency of the War Department. Lastly, a general bankrupt law must be passed to relieve merchants from their liabilities, and to enable them to commence a new career under brighter auspices.

"The Union."—Jo. Severns & Co. propose to establish, in Philadelphia, a new Democratic Morning Paper, the first number of which will be issued on the 1st of July.—The prospectus declares that "it is the purpose of the Proprietors to make *The Union*, in every respect, a first-class journal. The Democracy of the whole State feel the need of a bold and vigorous Metropolitan daily; and no effort will be spared to render *The Union* both popular and efficient as a news paper, and as a fearless exponent of the great principles for which the Democratic party have ever contended, and which are now so unhappily imperiled.

The proprietors have perfected such arrangements as will place the enterprise, from the beginning, upon a substantial business basis, with abundant means to make a newspaper second in interest and ability to no other in the city; and while the paper will be fearlessly Democratic, it will sedulously avoid all faction, as the deadliest bane to party efficiency." Terms—$3 per annum.

☞ The new six per cent. State loan of three millions of dollars has been taken at par, by Penn-sylvania capitalists and monied institutions. This is gratifying, because it proves the confidence of the community in the means and faith of the State. The whole of the bids amounted to three millions ninety-six thousand six hundred and fifty dollars, all at par, except fourteen hundred dollars.

☞ Professor Lowe experimented with his army balloon in Washington, on Tuesday, and made a number of ascensions.—He took up with him a telegraphing apparatus, to which was attached a wire connecting with the President's House. He sent a despatch to the President and received a reply from him. The experiments were to test the possibility of reconnoitering the Confederates in that way.

Ellsworth Zouaves.—This is the name of a new volunteer company recently organized in York, under the command of James A. Stahle. Their uniforms consist of a suit of blue army cloth tastefully trimmed with scarlet cloth, after the style of those worn by the Solferino Zouaves, in the Crimean war. The company numbers over seventy members. Dr. Jacob Hay, Jr., is 1st Lieut., and John F. Spangler, 2d Lieut.—*Hanover Citizen.*

Changing their Name.—A mass State convention of the "freemen" of Vermont is called to meet at Montpelier on the 26th inst. to nominate candidates for State officers, including Governor. It is really to be the State convention of the Republican party and the call evinces a determination on the part of the leaders of the organization in that State to change its name.

☞ Godey's Lady's Book for July has come to hand and we are pleased to find it as beautiful and interesting as ever. It will be sent to subscribers, commencing with this number, six months for $1. Published by L. A. Godey, 323 Chestnut St., Philadelphia.

The Railroad to Westminster.—The Western Maryland railroad is now completed to Westminster. The cars ran there for the first time on Saturday week. Two trains leave Westminster, daily, for Baltimore: at 5 and 11.30 A. M. and leave Calvert Station, Baltimore, at 8.15 A. M. and 3.30 P. M.

Sick Headache, Debility and Indigestion.—Where among all the remedies for these complaints, is there one which so quickly, so effectually, and permanently removes them as the Oxygenated Bitters?

☞ We see it stated that the expenses of our Government, at this time, amount to one million of dollars a day! Heavy.

Senator Douglas's Successor.—The Governor of Illinois has appointed Orville H. Browning, Republican, United States Senator, in place of the late Judge Douglas. He was repeatedly an Opposition candidate for Congress, but always beaten, his District being decidedly Democratic. He resides at Quincy, as is full 50 years old. The hopes of many that the Governor of Illinois would make good the Republican boast that there is "no party now," by appointing a Douglas Democrat to succeed Mr. Douglas, have been disappointed.

Inauguration of the New State Government of Virginia.—Wheeling, June 20.—The Western Virginia State convention elected to-day Frank P. Piermont Governor of the State, Daniel Polsley, Lieut. Governor, and Messrs. Lamb, Paxton, Van Winkle, Harrison and Lazear, Governor's council.

The new Government was inaugurated this afternoon, and the city is in a blaze of excitement to-night. The event is being celebrated with salutes, fireworks, &c.

A Privateer Captured.—New York, June 15.—The schooner Savannah, a privateer, in charge of midshipman Cook, arrived this afternoon, with the Stars and Stripes flying in triumph over the secession rag. She was captured by the brig Perry about 60 miles off Charleston. She had taken the brig Joseph, of Rockland, and sent her into Georgetown, South Carolina. The Savannah is armed with one 18 pounder pivot gun amidships, and was formerly a pilot boat. Her crew, consisting of 30 men, were in irons on board the Minnesota.

☞ The report is quite current in various parts of Missouri that the two United States Senators of that State, Messrs. Johnson and Polk, will not take their seats at the coming extra session of Congress.

☞ Calvert, Union, is elected to Congress from the sixth district of Maryland.

Only One Dollar Each!

10,000 BEAUTIFUL STEEL PLATE ENGRAVINGS OF THE LORD'S PRAYER FOR SALE.—VALUABLE PROPERTY GIVEN AWAY!—The idea of representing the Lord's Prayer by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by Ormsbee, the celebrated Bank Note Engraver, of New York City. It commences with exquisitely executed words of "Our Father," and then follow in succession the other parts of the prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOR, and encircling the upper part of the engraving are ten Angels, each bearing one of the TEN COMMANDMENTS. The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20 by 28 inches, and is unquestionably the cheapest engraving ever offered in this country.

Who that loves art—who that delights to study a fine engraving—who that would receive the impressions which such a work is calculated to impart, would fail to secure a copy when the price is, ONLY ONE DOLLAR with the chance of securing for the sum, in addition, a permanent home or another valuable gift?

As a work of art this valuable and beautiful engraving is worth more than the Dollar asked for it, as will readily be acknowledged on an inspection of it; but the subscribers intend to make a Gift Distribution to purchasers of the engravings, of valuable presents, as follows:

1 House and Lot in York Borough,
2 Baggies, (Quinn & Palmer's make, warranted,)
1 Rockaway,
2 Building Lots in York Borough,
1,000 Valuable Books,
50 bbls. Flour, (warranted,)
1,000 Gold Gilt Frames to suit Engraving of the Lord's Prayer,
500 Steel Plate Engravings Birth of Christ,
Magnificent Looking Glasses,
Gold and Silver Watches,
All kinds of Jewelry, embracing Cameos, Florentine Mosaic, Gold Stone, &c., &c.

A Gift worth from 50 cents to $500 00 with each engraving sold.

When the engravings are all sold a meeting of the purchasers will be called at Washington Hall, York, Pa., when the Gifts named above will be distributed in such manner as the purchasers may determine. The purchasers selecting a committee of disinterested persons to make the awards in such manner as they may designate.

The proprietors, from the favorable manner in which this Gift Enterprise has been received, and the number of engravings already sold, hope to be able to have the amount disposed of by the 1st of Oct., ensuing, and when all are sold they will notify the purchasers, and have the distribution of the Gifts proceeded with.

This engraving has received the commendation of the Reverend Clergy, our first citizens, and indeed of all classes, who enter into it with spirit.

RECOMMENDATIONS.

We invite attention to some of the recommendations:

From Rev. C. W. Thompson, Rector of St. John's Protestant Episcopal Church, York, Pa.

Messrs. Austin & Wehrly:—The engraving of the "*Lord's Prayer*" which is now offered for sale by Messrs. Austin & Wehrly of this Borough is "got up" with much taste and beauty, and ought to recommend *itself* to public attention—anything that will keep that noble composition before the mind and memory is likely to do good. The work seems to me only to require examination in order to be admired, and I can but hope that the gentlemen who have in hand its distribution at so moderate a rate, will be abundantly successful in their undertaking. C. W. THOMPSON.

From the Rev. F. F. Hagen, Pastor of the Moravian Church, York, Pa.

York, Pa., Feb 20, 1861.

Messrs. Austin & Wehrly:—Having had the pleasure of inspecting Messrs. Austin & Wehrly's splendid engraving of the *Lord's Prayer*, I would cordially recommend it to the favorable attention of their friends at York and elsewhere. It is not only a beautiful ornament for the dwelling of every Christian family, but also a useful and edifying acquisition for Sunday schools and similar benevolent institutions.

F. F. HAGEN.

☞ Editors or Publishers of papers giving this advertisement 6 insertions, will be entitled to an Engraving and Ticket, by forwarding the paper for that time to our address, or by inserting it until the time appointed for the distribution, with an Editorial notice once in 4 weeks, they will receive the engraving framed with a fine gold gilt frame to suit its size and a Ticket. Clove Anodyne

TOOTHACHE DROPS.—Complain no more of Aching Teeth.—These Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the publican as it is by dentists.

Read the following letter from one of the most distinguished practical dentists in the city of New York:

Messrs. Sands: Gentlemen—In the course of my practice I have extensively used your Clove Anodyne with much success for the relief of the Toothache, and as I constantly recommend it to my patients, I deem it but just to inform you of the high opinion I have of it over other remedies. I am yours, very respectfully, M. LEVETT, Dentist.'

PRICE 25 CENTS PER VIAL.
