There is beauty in the country! Of the country let me sing, With is beds of brilliant flowers, And gay hirds upon the wing--When the trees put on their glory, And array themselves in green-When the woodlands ring with singing, And the clover leaves are seen-

When the archards are in blossom, And the lilacs cran ned with blue. Oh! I love the blooming country, When the flowers are sweet and new. There is beauty in the country,
When the spring has crossed the vale,

There is heauty in the country, When the skies are bright above, And ten, thousand beauties tell us That the world is ruled by love; Even winter, with his mantle Of the purest, brilliant white, Is a crown of crystal glory, And a season of delight. Yes, Love the glorious country,
For there's living brightness there,

With its sunshine, trees and blooming

With its beauty everywhere. There is beauty in the country ! Every leaf and every flower, , Is a constant living wonder— Is a miracle of power.
