# THE WAR!

## IMPORTANT FROM WESTERN VIRGINIA.

An engagement took place, on Tuesday, between the Federal troops, under Gen. Rosencrans, and the Confederates, under Gen. Floyd, near Summerville, west of Gauley Bridge. Floyd retreated in the night, leaving camp equippage, &c., behind him. The following is Gen. Rosencrans's official dispatch:

HEADQUARTERS ARMY OF VA.,
*Camp Scott*, Sept. 12, P. M.

*To Col. E. D. Townsend:*—We yesterday marched 17½ miles, and reached the enemy's entrenched position in front of Connifix Ferry, driving his advanced outposts and pickets before us. We found him occupying a strongly entrenched position, covered by forests too dense to admit of its being seen at a distance of three hundred yards. His force was five regiments, besides the one driven in. He had probably sixteen pieces of artillery."

At 3 o'clock we began a strong reconnoissance, which proceeded to such length that we were about to assault the position on the flank and front when night coming on, and our troops being completely exhausted, I drew them out of the woods and posted them in the order of battle behind ridges immediately in front of the enemy's position, where they rested on their arms until the morning.

Shortly after day-light a runaway "contraband" came in and reported that the enemy had crossed the Gauley river during the night by means of the ferry, and a bridge which they had completed. Col. Ewing was ordered to take possession of the camp, which he did about seven o'clock, capturing a few prisoners, two stand of colors, a considerable quantity of arms, with quartermaster's stores, messing and camp equippage.

The enemy have destroyed their bridge across the Gauley, which here rushes through a deep gorge, and our troops being still much fatigued and having no material for immediately repairing the bridge, it was thought prudent to encamp the troops and occupy the ferry and the captured camp. We sent a few rifle cannon shots after the retreating enemy, to produce a moral effect.

Our loss will probably amount to twenty killed and one hundred wounded. The enemy's loss is not ascertained, but from the report of the prisoners must have been very considerable. W. S. ROSENCRANS.

Major General Commanding.

## FROM MISSOURI.

WASHINGTON, Sept. 12.—The following dispatch was received to-night at the headquarters of the army:

*St. Louis, Sept.* 12.—Colonel E. D. Townsend, Assistant Adjutant General:—A dispatch from Gen. Pope, received to-day from Hunnewell, (on the North Missouri railroad,) states that he made a night march on the rebels under Gen. Green, last Sunday, who, however, got notice of his approach, but he was successful in causing the dispersion of 3,000 rebel forces, who left behind them much of their baggage, provisions and forage; also the public property seized by Gen. Green at Shelbourne.

Gen. Pope's infantry were too much fatigued to pursue them. The horsemen, however, followed in pursuit for ten or fifteen miles until the enemy were completely scattered and dispersed.

The railroad east of Brookfield is now open, and no more secession camps will be made within twenty miles.

Gen. Grant telegraphs to me that the first gun is in position at Fort Holt, Kentucky. J. C. FREMONT,

Maj'or Gen. Commanding.

Attest—D. A. BUEHLER, *Sec'y.*

☞ Mr. JOHN WINEBRENNER, of this place, has grown the largest Peach we have seen noticed this season. It measured 11½ inches, and weighed 12½ ounces. It was a yellow free stone, and a real beauty.

☞ A "whopper" of an Eel was shown us the other day. Its weight was *five pounds!* It was caught in a fish basket, in Little Conowago, near Gitt's mill, in Mountpleasant township.

☞ Some persons broke into the office of the Carbon *Democrat* at Mauch Chunk, on Saturday night week, and threw a quantity of the type over the floor. The cowardly rascals who did this work sneaked into the place at midnight. We suppose their *patriotism* is satisfied.

THE BLOOD IS THE LIFE.—No more shall the poor sufferers in our country languish their constitutions racked and torn by strong and dangerous mineral medicines; they will come to the front on or before, found in simple herbs and roots from nature's storehouse. *The Mountain Herb Pills*, of innocent mountain plants, composed, will reach and stop their distress, and cause the blood, renovated and cleansed to carry through the body the elements of health; building up the broken constitution, and carrying life and health, where but for them would have been the *wreck of hope*—the feeble man of suffering, at last ended by the cold hand of death. Do not let prejudice overcome your better reason; do not look upon these Pills as only like others: do not let your despair, after trying everything else, prevent you from trying these. The blood must be pure, and then sickness is impossible. What a great and yet simple truth is this; it appeals to the common sense of all; it is the great keystone of the healing art. Judson's Mountain Herb Pills will purify and cleanse it as sure as the sun will rise to-morrow. Judson's Mountain Herb Pills are sold by all Medicine Dealers.

COUGHS, COLDS AND LUNG DISEASES.—Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Diseases of the Throat, Chest and Lungs, however long standing and severe in character, are quickly cured by that long tried, efficient and faithful remedy—WISTAR'S BALSAM OF WILD CHERRY.

The universal opinion fully accords with that lately expressed by the "Saratogian," which says:—"Wistar's Balsam has achieved many remarkable cures of Pulmonary disorders—its success being so great that taken in time it is deemed a specific." The thousands of Certificates in the hands of the proprietors from those who from long suffering diseases have been "redeemed, regenerated, disenthralled," and now by the remedy enjoy immunity from pain and suffering, are still better evidence of the fact.

STILL MORE TESTIMONY.

The Rev. Jacob Sechler, well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:

HANOVER, PA., Feb. 16, 1859.

Messrs. SETH W. FOWLE & Co., Boston.—

Dear Sirs:—Having realized in my family important benefit from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago each of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry afloat throughout the country.

JACOB SECHLER.

☞ *Caution to Purchasers.*—The only *genuine Wistar's Balsam* has the *written* signature of "I. BUTTS" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

☞ Prepared by SETH W. FOWLE & CO., Boston, and for sale by A. D. Buehler, Gettysburg; E. Hiteshew, York Springs; Wm. Woll, East Berlin; Solomon Chronister, Hampton; Jacob Fulweiler, Mummasburg; D. E. Hollinger, Abbottstown; M. Stauter, New Oxford; John Miller, Littlestown; and by dealers every where.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain. But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

☞ Twenty-five to sixty dollars and expenses per month will be paid by the Erie Sewing Machine Company to their Agents, for selling the Erie Sewing Machine. This is a new Machine, and so simple in its construction that a child can learn to operate it by half an hour's instruction. It is equal to any Family Sewing Machine in use, and they take the premium over the Fifty and One Hundred dollar machines.—The price is but Fifteen Dollars. The Company wish to employ Agents in every county in the United States. Address, for particulars, ERIE SEWING MACHINE CO. E. JAMES, General Agent, Milan, Ohio. [Mar. 11, '61. 6m

☞ SHEADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Warre of their own manufacture—keeping a sufficien, number of hands to supply any demand. Their assortment of Lumber is very lagre; also Coal of every kind.

TO CONSUMPTIVES.—The Advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered several years with severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge,) with the directions for preparing and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitis, &c. The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address REV. EDWARD A. WILSON,
Williamsburg, Kings county,
Oct. 22, 860. 1y New York.

IMPORTANT TO THE LADIES.—Soon "Old Boreas" will make us his accustomed visitation, and our lady friends will be devising ways and means for the protection of their forms from the penetrative assaults of his chilling breath. Now every lady will bear us out in the assertion that nothing is more conducive to the comfort and fine appearance of a female in cold weather than a substantial and fashionable set of Furs. This being an admitted fact, it is with pleasure that we direct the attention of those interested to the inducements offered by *John Fareira*, the favorite furrier of 718 Arch Street, Philadelphia. His card appears in this issue.

*Oxygenated Bitters.*—This is a remedy for Dyspepsia, Indigestion, and the numerous disorders of the stomach. It was discovered by a regular physician, after years of research. It is unlike all other medicines, and extracts the disease by its roots, leaving no vestige behind.

☞ The anniversary exercises of the Sabbath School connected with Christ Church, in this place, were held yesterday week. The occasion drew together a large audience. The annual report of the Superintendent shows the School to be in a flourishing condition. The presentation of Mission offerings was an interesting feature.

*Tom Thumb Dead.*—The Paris papers record the death of Gen. Tom Thumb as having occurred, in circumstances of great indigence, at one of the hospitals of that city. This is not the celebrated American Tom Thumb.

☞ Major Slemmer, the hero of Fort Pickens, has been ordered into service in Western Virginia.

☞ Capt. Thomas Francis Meagher publicly states that he does not intend to accept the Colonelcy of the Sixty-ninth Regiment.

☞ Hon. Joshua R. Giddings writes a column letter to Hon. J. W. Vance, favoring general emancipation, and denouncing a coalition of the Democratic and Republican parties as "an attempt to change front in face of the enemy—an acknowledgment that we have been wrong."

*Prompt Obedience of Orders.*—"Put down that pickle?" The words are uttered harshly and hurriedly by the sergeant to an ungracious private, who, carried away by his hungry passions," has snatched a pickle from the barrel. "An' why should I put down the pickle?" queries the private, coldly. "Put down that pickle—that's all I want of you," returned the Sergeant, decisively. "Down it goes, then," cried the soldier, and stuffing it into his mouth it quickly disappeared.

*Don't all Speak at Once.*—As the marriage ceremony was about to be performed in a church in Troy recently, the clergyman desired the parties wishing to be married to rise. A large number of ladies immediately rose, and in consusion all but one sat down quickly again.

☞ A clergyman consoling a young widow on the death of her husband, remarked that she could not find his equal. "I'll bet I will," remarked the sobbing fair one.

## Prof. Chas. De Grath's

ELECTRIC OIL.—*The Friend of Man!*—This is a perfectly innocent, soothing, and gently stimulating Medicine.

It was discovered by Prof. CHAS. DE GRATH, while travelling in South America—lately been brought out by urgent solicitations—and has cured more cases of RHEUMATISM, DEAFNESS, GOUT, NEURALGIA, LUMBAGO, SCIATICA, Spinal and Bronchial complaints, Tic Doloreux, Headache, Cramps, Croup, Piles, Felons, Sprains and Bruises, Cuts and Wounds, Swelled Glands, Erysipelas, Sore Nipples, Swelled Breast, Womb Disorders, Salt Rheum, Canker in Mouth and Stomach, Palpitation, Eruptions, Caked Breast, Quinsy, Sore Throat, Palsy, Pleurisy, Ulcers, Lock-Jaw, Heart Burn, Tooth and Ear Ache, Nervousness, Costiveness, Burns, Stiff Joints, Scrofula, Sore Gums of teething infants, &c., than all and every other medicine.

☞ It will be seen th's great remedy does not claim to cure everything, but only a certain class of complaints.

This Oil acts on the system with electricity, is of pure vegetable preparation, not the slightest danger of applying it outwardly or inwardly, it at once gives a permanent cure, in most cases from ten to twenty minutes.

The best physiologists of Europe have discovered that all Organic Derangement in the Animal System is the effect of an obstruction of the Physico-Electro Fluid in the organ diseased—a skillful application of this Oil puts in immediate motion the nerve fluid, and the cure is at once accomplished. No bleeding, nor vomiting, purging, or blistering is resorted to.
