☞ The "Independent Blues," Capt. W. J. MARTIN, are now at Cockeysville, on the Northern Central Railroad. There is still room for fourteen men in the Company.—Persons wishing to enlist in an easy position are requested to make immediate application.

☞ We will publish a list of the Company in our next—also of Capt. Pfeiffer's Company.

ACCIDENT ON THE RAILROAD—*A Soldier badly injured*.—As an up-train of freight cars, on the Northern Central Railway, was proceeding to York on Tuesday afternoon, when near the Tunnel, the locomotive was thrown from the track and its position completely reversed, that is, its head was turned toward the Junction, and the stoppage was of course immediate. This caused the cars to pile up one upon another, and we regret to state that in the concussion, a soldier named Peters, a member of Capt. Pfeiffer's company of Oxford Volunteers, was terribly injured, his legs being crushed in a dreadful manner. He was brought to the Junction immediately, and from thence to Hanover, and conveyed from there to New Oxford. We have not since learned any thing of his condition.—*Hanover Citizen*.

Up and at Them!.

Democrats, be about on Tuesday next and show those who would break up your party that it is not dead or dying. The principles of your party are deeply inlaid in the hearts of the people—were its wise counsels followed we would not now have a civil war in the country. The people know this—feel this—and will vote with the only party that can restore an honorable and lasting peace to the whole country. Let the people *begin now* and take the first step towards bringing back the Union, by voting with the Democratic party. The principles are those of truth and justice and they must triumph. The man who does not give this party his *hearty support* in this time of trial and need, must never expect to nestle in its bosom or be honored in its ranks again. Now is the time *to act, to work*. Depend on no man to do *your work*. Let every man be on the ground early, see that the whole vote is out, and that every man votes the right ticket.

Give one day honestly and faithfully to your party and your country, and *you will be successful*.—*Chambersburg Spirit*.

Alas! how changed that lovely flower,
Which bloomed and cheered my heart;
Fair fleeting comfort of an hour,
How soon we're called to part.
And shall my bleeding heart arraign
That God whose ways are love,
Or calmly cherish anxious pain,
For him who rests above.
No, let me rather humbly pay
Obedience to His will;
And with my inmost spirit say,
The Lord is righteous still

JUDSON'S MOUNTAIN HERB PILLS.—How strange and wonderful it often seems to us that a medicine composed of simple mountain herbs and roots, should so certainly search out and cure disease. How surprising that the Indians should know and preserve so long and well a secret that has escaped the search of the greatest physicians the world has ever seen—True, the ancient inhabitants of Mexico were a strange race, found by the Spaniards living in large cities, and allowing for their strange customs and religion as well civilized as their cot negros. In the words of a writer of some celebrity, "They have perished from the earth; their cities are gigantic piles of ruins, their Kings and Princes so mighty in their life, are forgotten; their ruins and their medicine alone are left." The united testimony of all intelligent persons is, that JUDSON'S MOUNTAIN HERB PILLS are the most successful medicine in the world in curing disease. Sold by all Medicine Dealers. COUGHS, COLDS AND LUNG DISEASES.—Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Diseases of the Throat, Chest and Lungs, however long standing and severe in character, are quickly cured by that long tried, effectual and faithful remedy—WISTAR'S BALSAM OF WILD CHERRY.

The universal opinion fully accords with that lately expressed by the "Saratogian," which says:—"Wistar's Balsam has achieved many remarkable cures of Pulmonary disorders—its success being so great that taken in time it is deemed a specific." The thousands of Certificates, in the hands of the proprietors from those who from long suffering disease, have been redeemed, regenerated, disenthralled, and now by this remedy enjoy immunity from pain and suffering, are still better evidence of the fact.

STILL MORE TESTIMONY.

The Rev Jacob Seehler, well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:

HANOVER, PA., Feb. 16, 1859.

Messrs. SETH W. FOWLE & Co., Boston,—

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation "Wistar's Balsam of Wild Cherry"—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained.—I then procured a bottle of your excellent Balsam and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry, afloat throughout the country.

JACOB SECHLER.

☞ *Caution to Purchasers.*—The only genuine "*Fowle & Dearborn's Balsam* has the *written* signature of "H. Burrs" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

☞ SHEADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Plamished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line, dead, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Ware of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

TO CONSUMPTIVES.—The Advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered several years with severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge,) with the directions for preparing and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitis, &c. The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address REV. EDWARD A. WILSON,

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

The Scientific American.

THE BEST MECHANICAL PAPER IN THE WORLD.—*Seventeenth Year.*—VOLUME V.—NEW SERIES.—A new volume of this widely circulated paper commenced on the 6th of July.—Every number contains sixteen pages of useful information, and from five to ten original engravings of new inventions and discoveries, all of which are prepared expressly for its columns.

The SCIENTIFIC AMERICAN is devoted to the interests of Popular Science, the Mechanic Arts, Manufactures, Inventions, Agriculture, Commerce and the Industrial Pursuits generally, and is valuable and instructive not only in the Workshop and Manufactory, but also in the Household, the Library and the Reading Room.

The SCIENTIFIC AMERICAN has the reputation, at home and abroad, of being the best weekly publication devoted to mechanics and industrial pursuits now published, and the publishers are determined to keep up the reputation they have earned during the SIXTEEN YEARS they have been connected with its publication.

TO THE INVENTOR'—The SCIENTIFIC AMERICAN is indispensable to every inventor, as it not only contains illustrated descriptions of nearly all the best inventions as they come out, but each number contains an Official List of the Claims of all the Patents issued from the United States Patent Office during the week previous: thus giving a correct history of the progress of inventions in this country. We are also receiving every week the best scientific journals of Great Britain, France, and Germany: thus placing in our possession all that is transpiring in mechanical science and art in these old countries. We shall continue to transfer to our columns copious extracts from these journals of whatever we may deem of interest to our readers.

CHEMISTS, ARCHITECTS, MILLWRIGHTS AND FARMERS!—The SCIENTIFIC AMERICAN will be found a most useful journal to them. All the new discoveries in the science of chemistry are given in its columns, and the interests of the architect and carpenter are not overlooked; all the new inventions and discoveries appertaining to these pursuits being published from week to week. Useful and practical information pertaining to the interests of millwrights and mill-owners will be found published in the SCIENTIFIC AMERICAN which information they cannot possibly obtain from any other source. Subjects in which planters and farmers are interested will be found discussed in the SCIENTIFIC AMERICAN: most of the improvements in agriculture and implements being illustrated in its columns.

Ayer's Cathartic Pills.

JUDSON'S
Mountain Herb Worm Tea.

HERBS, BARKS AND ROOTS
VERSUS
POISONOUS MINERALS AND DRUGS.

MOTHERS, TAKE HEED!

Do you when observing the uneasy actions of your children, consider that it may be more than a mere Cholic that afflicts them? In nine cases out of ten, the cause of the little sufferer's anguish is WORMS, *and should be at once looked to.*

HEADS OF FAMILIES,

Do not let your children suffer, when we present you in

JUDSON'S WORM TEA

A SAFE AND PLEASANT CURE FOR WORMS.

How much better and safer would it be to have it always in the house. A little delay when a child is taken ill may often be the cause of its death, while acting without delay, and by giving the MOUNTAIN HERB TEA immediately, you will not only save the child a long and tedious illness, and yourself much expense, but also feel happier in knowing that you have done your duty, and perchance saved its life.

This medicine is combined purely of

HERBS AND ROOTS,
NOT A PARTICLE OF
CALOMEL OR MINERAL
IS USED IN IT.

No more filthy Vermifuge will be used by those who once use this Tea. The only active principle of all other Vermifuges and Worm Killers is MERCURY.

GIVE NO
POISON
TO
YOUR CHILDREN.

Use this Simple, Safe, Vegetable Medicine.

This Worm Tea was discovered in an Indian war among the Wilds of Northern Mexico—a full account of it you will find in our Almanacs. Ask for the "*Review of Tula Almanac*," of the Agent, and when you have read it, send it
