Report of the Managers of the "Ladies' Union Relief Society" of Gettysburg and Vicinity.

The liabilities for the articles furnished to the two companies of Volunteers which went from Gettysburg, and added so much to their comfort, and were so thankfully received, amounted to $209.98 for material, independent of the gratuitous labor bestowed upon preparing the articles. The Managers are happy to say that the whole debt has been paid, through the generosity of the Churches and individuals, and they take this opportunity, for themselves and Companies, of tendering to the liberal donors, their grateful thanks for the promptness with which their call was responded to.

They are now preparing to fit out a box, under the appeal of the Secretary of War, of such articles as may add to the comfort of the sick and wounded of the Army. They hope that they will, in this labor of love, be as cheerfully responded to as in the former.

THE MIGHTY HEALER.—Let not disease, with its fangs, prey upon you, until the cold hand of death lands you to an untimely grave. Shake off the feeling of despondency and hopelessness, so liable to come upon the invalid. The plant born of the Sun we place within the reach of all. We care not what may be the specific form of the disease. The cause, the fountain of the disease itself is impure blood, and through the different channels of the lungs, the stomach and the vital organs. JUDSON'S MOUNTAIN HERB PILLS will pass mingling with the blood, search out and grasp each thing expel, all hurtful poison that, like it in it. Thus cleanse the blood by a few doses of these Pills, and disease, in any form, will dissipate and vanish. As the Sun, with its glorious beams first causes the morning dew to rise as mist, then growing stronger, casts his burning rays upon it—and behold the gone—so cleanse the blood, and disease, like morning dew, retreats and vanishes. There is no blood purifier equal to Judson's Mountain Herb Pills.—Sold by all Dealers in Medicine. [Oct. 21. 1m

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

☞ SHEADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Ware of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

☞ Twenty-five to sixty dollars and expenses per month will be paid by the Erie Sewing Machine Company to their Agents, for selling the Erie Sewing Machine. This is a new Machine, and so simple in its construction that a child can learn to operate it by half an hour's instruction. It is equal to any Family Sewing Machine in use, and they take the premium over fifty and One Hundred dollar machines.—The price is but Fifteen Dollars. The Company want to employ Agents in every county in the United States. Address, for particulars, ERIE SEWING MACHINE CO. R. JAMES, General Agent, Milan, Ohio. [Mar. 11, '61. 6m

Mr. Hoecht always sustained the character of a good and honest citizen, and was much respected—as an evidence, his remains were followed to the Lower Bermudian church yard by a very large number of his friends and neighbors. Peace to his ashes.

On the 23th ult., MARTHA ANN, daughter of Mr. Andrew McMaster, of Middletown, Butler township, aged 12 years and 10 months.—This is the second daughter that has died of sore throat in that family within a few weeks, leaving the distressed parents childless.

Thy tyrant death came rushing in,
And thus his power did show:
Out of this world this child did take,
And laid its visage low.

No more the pleasant child is seen,
To please the parent's eye.
The tender plant so fresh and green,
Is in eternity.

The golden bowl by death is broke,
The pitcher burst to pieces;
The cistern wheel has felt the stroke,
The pleasant child is slain.

The winding sheet doth bind its limbs,
The coffin holds its dust,
To-day 'tis seen by all its friends,
But this must be the last.
