For the Compiler.

MR. EDITOR:—Winter and approaching holidays induce thoughts of want and suffering,—but in contrast to these come cheering remembrances of pleasant meetings with those we love, and plentifully spread boards at Christmas-tide. 'Tis true that national difficulties produce national distress, and money seems to flow in a smaller stream now, than in days that are past. But still, money is, and will be spent, and the gratification of appetite will be indulged in times of war, as in times of peace. Knowing the case, we seize the opportunity to introduce through your columns, to the particular notice of your readers, the elegantly arranged and admirably conducted store of STEPHEN F. WHITMAN, 1210 Market street, Philadelphia, whose supply of confections of every kind we think is equal to any other establishment in our country. A loyal citizen of a loyal State, obliging and prompt in his business relations, Mr. Whitman deserves an extensive patronage.

Candies of every description, conserves of all kinds, bon-bons of the most elegant description, and all the novelties of this department of trade, can always be procured personally, or by order, and at reasonable rates. One and all try for yourselves the truthfulness of these remarks, and we are assured you will not be disappointed.

Special Notices.

☞ SHEADS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-Iron Ware, Tin Ware, Plated-ed Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail. Tin Ware and Sheet-Iron Ware of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

THE MIGHTY HEALER.—Let not disease, with its fangs, prey upon you, until the cold hand of death hurls you to an untimely grave. Shake off the feeling of despair and hopelessness, so liable to come upon the invalid. The plant born of the Sun we place within the reach of all. We care not what may be the specific form of the disease. The cause, the fountain of the disease itself, is impure blood, and through the different channels of the lungs, the stomach and the vital organs, JUDSON'S MOUNTAIN HERB PILLS will pass, mingling with the blood, search out and grasp and then expel, all hurtful poison that there is in it.—Thus cleanse the blood by a few doses of these Pills, and disease, in any form, will dissipate and vanish. As the Sun, with its glorious beams first causes the morning dew to rise against, then growing stronger, casts his burning rays upon it—and behold 'tis gone—so cleanse the blood, and disease, like morning dew, retreats and vanishes. There is no blood purifier equal to Judson's Mountain Herb Pills.—Sold by all Dealers in Medicine. [Oct. 21, 1m

THE LADY'S FRIEND.

Godey's Lady's Book

FOR 1861.—THE WORLD'S FAVORITE.—*For 32 Years the Standard Magazine.*—Pronounced by the Press of the United States,

THE BEST

Lady's Magazine in the world, and the cheapest. The Literature is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.—All efforts to rival *us in this have ceased*, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION-PLATES, containing from five to seven full length Colored Fashions on each plate. Other Magazines give only two. Far ahead of any Fashions in Europe or America. Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost $10,000 more than fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS.—Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.—No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, *and* have peculiar facilities for making it most perfect. This department alone is *worth* the price of the Book.

LADIES' WORK TABLE.—This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES.—No other magazine has this department.

TERMS CASH IN ADVANCE.

One copy one year, $3. Two copies one year, $5. Three copies one year, $6. Four copies one year, $7. Five copies one year, and an extra copy to the person sending the club, $10. Eight copies one year, and an extra copy to the person sending the club $15. Eleven copies one year, and an extra copy to the person sending the club, $20.

And the *only* magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.

SPECIAL CLUBBING WITH OTHER MAGAZINES.—Godey's Lady's Book and Arthur's Home Magazine both one year for $3 50.—Godey's Lady's Book and Harper's Magazine both one year for $4 50. Godey, Harper, and Arthur will all three be sent one year, on receipt of $6 00.

Something New!

BEAUTIFUL ILLUSTRATED MAP

ON THE PRESERVATION AND CULTURE OF FRUIT AND ORNAMENTAL TREES.

COPIES are being published, which contain many magnificent Engravings, such as Trees and various kinds of fine Fruit and Fruit Trees, some of the finest subjects that have ever been put on paper. The Fruit Trees are set with abundant hardened fruit, similar to that which nature presents in proper season. The trees are represented as having their roots running through the soil in a natural position, and the Engravings of Trees are beautiful and grand. It also contains a fine Engraving which represents the innumerable thread-like roots of a vigorous tree running through and over the soil. The Root Engraving covers ten inches in diameter on paper, and also forms a magnificent engraving, which cannot help but prove gratifying to the eyes of all who may behold it. Such an engraving has never been printed on paper before. The engraving of roots not only proves admirable to the sight of the eye, but is designed to prove of great importance to all who take an interest in the cultivation of fruits and how to treat fruit trees properly.

A COPY contains Twenty-five different Engravings of Trees, Fruits, etc., composed of Evergreens, Forest, Apple, Peach, Dwarf Pyramid Pear and Cherry Trees, &c. The Fruit Engravings compose Raspberries, Gooseberries, Blackberries, Currants, Grapes, Plums, Apricots, Pears, Peaches, Apples, etc., and are all colored by hand to represent the natural fruit, and are accompanied with printed matter of great importance, and forms a copy in size 32 by 40 inches, on map paper, with muslin back and fine varnished.

A COPY, with its numerous engravings, will be gratifying to the eye, and forms an admirable ornament for the wall of the parlor, and will richly beautify any apartment with horticultural matter of much importance and finery. These copies are published at a very heavy expense Twenty-five dollars have been paid to a scientific artist for forming the plates of single engravings of trees, roots, etc. But, in order that many can obtain such copies at a trifling figure, the price for a copy will be made so low, that fifteen persons can now obtain copies for the sum that has been paid for single engravings of trees, etc.

A COPY contains printed matter of much importance and great value. It will tell how to treat all kinds of Fruit Trees to render them very vigorous and productive, even in unfavorable seasons. It will tell how to prepare the soil without inconvenience before planting the trees in; to strengthen trees much in vigor, and to prove the productiveness of abundant crops, even in unfavorable seasons or locations, with proper and easy after treatment.

A COPY will tell how to prepare and plant all kinds of Fruit and Evergreen Trees, so as to prove successful, with scarcely ever proving a failure in a lot of many trees when properly treated as directed. It will tell how to train and plant Dwarf Pear Trees. It contains the most successful treatments for the culture of the Plum. It will tell how to train and cultivate the Grape.

A COPY will tell how to cultivate and treat Strawberries, Currants, Raspberries, Blackberries, Gooseberries, etc.

A COPY will tell how to treat Peach trees, to restore their roots healthy from the disastrous effects of worm insects. It will tell how to make use of an application over the soil surrounding the tree to protect the Peach and other tender fruits from the effects of being winter-killed in the bud. The same application also restores Peach trees from taking the yellows. The application has the beneficial effects to prevent the foliage of the trees healthy and the trees vigorous, and proves to the pomaceaneses of luscious fruits. The application to be applied is not expensive. All have sufficient materials on their plantations.

A COPY will tell how to Preserve all kinds of Fruits with little or no sugar. It will tell how to keep Apples with much success. It will tell how to treat and manage Beans to mature perfectly, and to attain to the highest flavor.

A COPY presents its numerous pictures all at a glance, and forms such an ornament for the wall as will be admired by all lovers of art, drawn from nature's products.

A COPY can now be obtained for $1.00 in money or postage-stamps, post-paid in the United States.

These copies are published by
