STEAM LIME MILL, CORNER OF WEST AND RAILROAD STREETS, NEAR THE FOUNDRY.—The subscriber, having leased the Steam Mill of Mr. C. W. HOFFMAN, in this place, has had it thoroughly repaired, by placing in it the necessary machinery for grinding Limestone. The mill is now in operation and I am ready to supply any demand for this useful Fertilizer. GROUND LIME-STONE is now conceded by those who have tested it, to be a much better Fertilizer than Burnt Lime or indeed any of the other Fertilizers generally applied to land. The following Certificate from Mr DIEHL, an extensive farmer, and highly respectable citizen of Adams county, will attest the truth of this assertion:

☞ "I have been trying the Ground Limestone on my land for the last four years and find it to be a better fertilizer than the Burnt Lime, and CHEAPER. It has given satisfaction in the first crop. PETER DIEHL."

Numerous other certificates of like character could be produced, but this is sufficient.

☞ Farmers are requested to send in their orders and to give it a trial.

Gettysburg Foundry.

THE subscriber, having purchased the Foundry of Messrs Zorbaugh, Sloat & Co., (formerly Warrens' Foundry,) has commenced business, and is now prepared to offer to the public a larger assortment of Machinery than has heretofore been offered, such as THRESHING MACHINES, Clover Hullers, Fodders Cutters, Corn Shellers, and Morgan's late improved Horse Rake. Also, STOVES, such as Cook Stoves, three different kinds; and five different sizes of Ten-plate Stoves. Likewise Mill and Saw-mill Castings, and all kinds of Turning in Iron or Wood.

☞ REPAIRING of all kinds on Machinery and Castings will be done to order on short notice. Patterns made to order: Plough Castings ready made; PLOUGHS, such as Seyler, Witherow, Plocher, Woodrock, and many others not mentioned here; and eight different kinds of IRON FENCING, for Cemeteries, Porches or Yards.

Also, Mortising Machines, one of the best now in use. This machine works with a lever by hand; any little boy can manage it.

Only One Dollar Each!

10,000 BEAUTIFUL STEEL PLATE ENGRAVINGS OF THE LORD'S PRAYER FOR SALE.—VALUABLE PROPERTY GIVEN AWAY!—The idea of representing the Lord's Prayer by an engraving, and of uniting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by Owen, the celebrated Bank Note Engraver, of New York City. It commences with exquisitely executed words of "Our Father," and then follow in succession the other parts of the prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a splendidly executed head of OUR SAVIOR, and encircling the upper part of the engraving are ten angels, each bearing one of the TEN COMMANDMENTS. The engraving is received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20 by 28 inches, and is unquestionably the cheapest engraving ever offered in this country.

Who that loves art—who that delights to study a fine engraving—who that would receive the impressions which such a work is adequate to impart, would fail to secure a copy when the price is ONLY ONE DOLLAR, with the chance of securing for the sum, in addition, a permanent home or another valuable gift?

As a work of art this valuable and beautiful engraving is worth more than the Dollar asked for it as will readily be acknowledged on an inspection of it; but the subscribers intend to make a Gift Distribution to purchasers of the engraving, of valuable presents, as follows:

1 House and Lot in York Borough.
2 Buggies, (Quinn & Palmer's make, warranted.)
1 Rockaway.
2 Building Lots in York Borough,
1,000 Valuable Books,
50 bbls. Flour, (warranted.)
1,000 Gold Gilt Frames to suit Engraving of the Lord's Prayer,
500 Steel Plate Engravings Birth of Christ, Magnificent Looking Glasses,
Gold and Silver Watches,
All kinds of Jewelry, embracing Cameos, Florentine, Mosaic, Gold Stone, &c., &c.

A Gift worth from 50 cents to $500 00 with each engraving sold.

When the engravings are all sold a meeting of the purchasers will be called at Washington Hall, York, Pa., when the Gifts named above will be distributed in such manner as the purchasers may determine. The purchasers selecting a committee of disinterested persons to make the awards in such manner as they may designate.

The proprietors, from the favorable manner in which this Gift Enterprise has been received, and the number of engravings already sold, hope to be able to have the amount disposed of by the 1st of Oct., ensuing, and when all are sold they will notify the purchasers, and have the distribution of the Gifts proceeded with.

This engraving has received the commendation of the Reverend Clergy, our first citizens, and indeed of all classes, who enter into it with spirit.

RECOMMENDATIONS.

We invite attention to some of the recommendations:

From Rev. C. W. Thompson, Rector of St. John's Protestant Episcopal Church, York, Pa.

MESSRS. AUSTIN & WEHRLY:—*The engraving of the "Lord's Prayer"* which is now offered for sale by Messrs. Austin & Wehrly of this Borough is "got up" with much taste and beauty, and ought to recommend *itself* to public attention—anything that will keep that noble composition before the mind and memory is likely to do good. The work seems to me only to require examination in order to be admired, and I can but hope that the gentlemen who have in hand its distribution at so moderate a rate, will be abundantly successful in their undertaking. C. W. THOMPSON.

From the Rev. F. F. Hagen, Pastor of the Moravian Church, York, Pa.

York, Pa., Feb. 20, 1861.

Messrs. Austin & Wehrly:—Having had the pleasure of inspecting Messrs. Austin & Wehrly's splendid engraving of the *Lord's Prayer*, I would cordially recommend it to the favorable attention of their friends at York and elsewhere. It is not only a beautiful ornament for the dwelling of every Christian family, but also a useful and edifying acquisition for Sunday schools and similar benevolent institutions.

F. F. HAGEN.

☞ Editors or Publishers of papers giving this advertisement 6 insertions, will be entitled to an Engraving and Ticket, by forwarding the paper to that time to our address, or by inserting it until the time appointed for the distribution, with an Editorial notice once in 4 weeks, they will receive the engraving framed with a fine gold gilt frame to suit its size and a Ticket. Prof. L. Miller's

HAIR INVIGORATOR.—An Effective, Safe and Economical Compound
FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the Hair from turning gray.

FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or reparative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters of unquestionable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its origin al shade, giving it a dark, glossy appearance. As a perfect article for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the belles as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS
per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its hair.

CAUTION.—None genuine without the fac simile of LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown in the glass.

Wholesale Depot, 56 Dey St., and sold by all the principal Merchants and Druggists throughout the world.

Liberal discount to purchasers by the quantity.

ELECTRIC OIL.—*The Friend of Man!*—This is a perfectly innocent, soothing, and gently stimulating Medicine.

It was discovered by Prof. CHAS. DE GRATIS, while travelling in South America—lately been brought out by urgent solicitations—and has cured more cases of RHEUMATISM, DEAFNESS, GOUT, NEURALGIA, LUMBAGO, SCIATICA, Spinal and Bronchial complaints, Tic Doloreux, Headache, Cramps, Croup, Piles, Felons, Sprains and Bruises, Cuts and Wounds, Swelled Glands, Erysipelas, Sore Nipples, Swelled Breast, Womb Disorders, Sore Rheum, Canker in Mouth and Stomach, Pulsation, Eruptions, Caked Breast, Quinsy, Sore Throat, Palsy, Pleurisy, Ulcers, Lock-Jaw, Heart Burn, Tooth and Ear-ache, Nervousness, Weakness, Burns, Stiff Joints, Scrofula, Sore Signs of teething infants, &c., than all and every other medicine.

☞ It will be seen the great remedy does not claim to cure everything but only a certain set class of complaints.

This Oil acts on the system with electricity, is of pure vegetable preparation, for the slightest danger of a relapse it outwardly or inwardly, it at once gives a permanent cure, in most cases from ten to twenty minutes.

The best physicians of Europe have discovered that all Organic Derangement in the Animal System is the effect of an obstruction of the Physico-Electric Fluid in the organ diseased—a skillful application of this Oil puts in immediate motion the nerve fluid, and the cure is at once accomplished. No bleeding, no vomiting, purging, or blistering is resorted to.

JUDSON'S
Mountain Herb Pills.

WE give a perfect likeness of Tezuco, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body.—Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly in every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,
Liver Complaint, Sick Headache, &c. This *Anti-Bilious* Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and flu
