Now, then, we want money—or rather our *debtors* do, and our *debtors* have *all our ready cash* in their possession. Would they be considerate enough, if they are done using it, to hand it over, that we may be enabled to keep the "wolf from our door." Don't forget to put that small trifle that you owe the printer, in your pocket when you come to town. We will be most happy to see one and all who know themselves indebted to us, and we have the assurances of those who have tried the experiment that a man never feels so happy in his life as at the precise moment he pays off his indebtedness to his printer.

AYER'S CATHARTIC PILLS.—The sciences of Chemistry and Medicine have been taxed to their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the only 77 medicines, and that they win unprecedented favor upon the esteem of all men. They are safe and pleasant to take but powerful to cure.—Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children.—Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have left their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys; Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Don't be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else.—No other they can give you compares with this in its intrinsic value or curative power. The sick want the best and there is for them, and they should have it.

☞ Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Price 25 CENTS PER BOX.—FIVE BOXES FOR $1.

☞ Sold by A. D. BUEHLER, and dealers everywhere. [Dec. 2, '61, 2m

WEAKNESS AND DEBILITY.—All who suffer from weakness and debility, where there is a want of energy, should at once have recourse to JUDSON'S MOUNTAIN HERB PILLS. They immediately purify the blood and act upon the mainspring of life, giving strength and vigor to the system. Young persons entering into womanhood, with a derangement of the functions; and to mothers at the turn of life, these Pills will be most efficacious in correcting the ills of life that may be on the turn. Young and elderly men suffer in a similar manner at the same periods, when there is always danger, they should therefore undergo a course of this purifying medicine, which ensures lasting health.

This great Household Medicine ranks among the leading necessaries of life, as it is well known to the world that it cures complaints other remedies cannot reach; this fact is as well established as that the Sun lights the World. Judson's Mountain Herb Pills are sold by all Dealers in Medicine. [Nov. 25, 1m

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. That it's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

☞ SHEARS & BUEHLER'S Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Warre of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.

Grand Jury Report.

TO THE HONORABLE THE JUDGES OF THE COURT OF QUARTER SESSIONS OF ADAMS COUNTY:—The Grand Inquest of Adams county at the November Sessions, 1861, respectfully represent: That they have passed upon all Bills submitted to them by the District Attorney and presented them to the Court.

It is gratifying to state that the number of bills brought before them was not large, and that with one or two exceptions, none of them were of a serious nature.

The Jury cannot refrain from expressing their disapprobation of the conduct on the part of some Justices of the Peace in entertaining criminal cases of a trivial character, which are brought here before the Court to be disposed of, thus often imposing considerable expense upon the county. These expenses might generally and easily be avoided, if Magistrates before whom parties appear, having bad cases, were sent away without taking action upon their complaints, when the Magistrate is satisfied that the good of the community would not suffer thereby.

The Inquest have visited the County Prison, and are happy to say that the condition in which they found it, in regard to cleanliness, &c., was very satisfactory, showing that Sheriff Samuel Wolf and family have used every effort to secure the comfort and well being of the unfortunate individuals confined within its walls. As regards the security of prisoners of desperate character, this Inquest cannot but condemn the insecure condition of the cells and wall, affording so many facilities for the escape of prisoners; and would therefore recommend that at least two of the cells would be so repaired as to render them secure against the efforts of prisoners to effect their escape, and would therefore urge upon the County Commissioners the necessity of having these cells secured as recommended.
