Special Notices.

A THING OF BEAUTY, IS A JOY FOR-EVER—Who can be beautiful with a sickly pale complexion. Keep the pores of the skin free, and the blood pure, and your cheeks will vie with the rose fully. The skin is formed with thousands of pores, in every inch of surface whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform it's proper functions, and to carry off the impurities from the body as designed by our Creator.

JUDSON'S MOUNTAIN HERB PILLS remove these obstructions, and produce free and healthy Blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty. Beauty so much admired and loved. Beauty without paints and cosmetics—but beauty produced by health and happiness. Judson's Mountain Herb Pills are sold by all Medicine Dealers. [Dec. 23. 1m

AYER'S CATHARTIC PILLS—The sciences of Chemistry and Medicine have been taxed their utmost to produce the best medicine for purgative which is known to man. In these Pills the proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they was unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure.—Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children.—Being sugar-coated they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their influence to certify to the public the reliability of our remedies, while others have sent me the assurance of their conviction that our Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:

Costive Bilious Complaints Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all diseases which require an eccmont medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else.—No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

GREAT DISCOVERY!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's beautiful combination, called "ELECTRIC OIL," for the relief and cure of pain.—But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than two million bottles have been sold in a very short time—a great proportion of those who heard others recommend it, who had tried it. The truth's a splendid discovery is every where acknowledged, and nothing like it was ever before prepared. The only genuine Electric Oil is Prof. De Grath's, which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietors' prices of the agent here. See advertisement.

Shrom & Buehler's Store is well worthy a visit just at this time. We doubt whether, even in our largest cities, so fine a display of Stoves can be found. Their large room is full of Stoves of every pattern; also, every variety of Hollow Ware, Sheet-iron Ware, Tin Ware, Planished Ware, Japan Ware—embracing, indeed, everything in the house furnishing line. Also, Sausage Cutters, Sausage Stuffers, Lard Presses, &c., &c. They are prepared to sell wholesale and retail, Tin Ware and Sheet-iron Warre of their own manufacture—keeping a sufficient number of hands to supply any demand. Their assortment of Lumber is very large; also Coal of every kind.
