About four o'clock our right wing turned the enemy's left, and the rebels fell back into their fortifications, and our flag was planted upon the position occupied by their left wing—for a time the slaughter then ceased.

Dresser's and Schwartz's batteries were captured during the action, but the Eighteenth Illinois, with clubbed muskets, recovered Dresser's battery, while the Thirty-first recovered that of Capt. Schwartz.

The Federal Army in Possession of Bowling Green.

LOUISVILLE, Feb. 15.—To Major General McClellan: Gen. Mitchell's division, by a forced march, reached the river at Bowling Green to-day, and are making a bridge to cross.

The enemy burnt the bridge at 1 o'clock in the morning, and were evacuating the place when he arrived. D. C. BUELL, Brig. General Commanding.

LOUISVILLE, Feb. 16, P. M.—Gen. Mitchell's troops have crossed Barren river, and are now in possession of Bowling Green.

WASHINGTON, Feb. 16.—Gen. Buell has for some days past been concentrating a large force in the neighborhood of Bowling Green, with which doubtless to march directly on Nashville after having reduced the former place.

CLARKSVILLE.

Clarksville, Tenn., to which point Floyd fled on Saturday night last, with about 5,000 men, is thirty miles higher up the Cumberland than Fort Donelson. It is fortified, and the main body of the Bowling Green rebel force got there before him. Its works are regarded as being far weaker than those at Donelson. It is hardly probable that the rebels have 20,000 effective men there. We took Donelson with 35,000 men on land and six gunboats in the river. About 80,000 Union land troops, two iron-clad gunboats, many other gunboats not so clad, and four or six mortar boats, will by this evening be concentrated before that place, if it be not reduced to-day.

The Reported Capture of Gen. Price and Staff.

SEDALIA, Mo., Feb. 14.—Brigadier General Price, son of General Sterling Price, Colonel Phillip, Major Goss and Captain Crosby were captured by Capt. Stubbs, of the Eighth Iowa regiment. They had some five hundred recruits for old Price in charge, but they had just crossed the Osage river, and as Captain Stubbs had but a small force he did not follow them.

SPRINGFIELD, Mo., Feb. 20.—It is not probable that the army will follow General Price's retreating army very far into Arkansas.

☞ At New York, Boston, Philadelphia, Cincinnati, St. Louis, Chicago, and many other places, the news of the brilliant victory at Fort Donelson was received with demonstrations of the liveliest satisfaction—firing of cannon, ringing of bells, bonfires, &c.

☞ President Lincoln, on Wednesday, issued a proclamation recommending to the people of the United States, that they assemble in their customary places of meeting for public solemnities on the twenty-second day of February instant, and celebrate the anniversary of the birth of the Father of His Country, by causing to be read to them his immortal Farewell Address.

"*Inconveniences*" *of Reporting.*—The Chicago Journal had one reporter killed outright and another had his leg shot off at the capture of Fort Henry. A third escaped unharmed.

☞ The Harrisburg *Patriot & Union* says that Hon. John Sherman, who was a member of General Patterson's staff, *fully approved of all his movements*, and that when on a recent occasion he called upon the War Department, by a resolution of the Senate, for the correspondence between Gen. Scott and Gen. Patterson, for the purpose of disclosing facts of which he was fully cognizant, the Secretary of War refused to comply with the request, on the ground that it was incompatible with the public interest. By *this* delay Gen. Patterson's good name must continue to suffer. It will no doubt be entirely vindicated after the war shall be over.

Outrage in Kansas.—By the following extract from the Leavenworth (Kansas) Conservative of the 28th ult., it will be seen that a party of Jayhawkers in that State have destroyed the house and other property of Col. A. G. Ege, formerly of Carroll county, Md.:

"The dwelling house of Col. A. G. Ege, now outlet at the fort, has been plundered by Jayhawkers. Col. Ege is a Union man, whose faith has never been questioned.—His estate was one of the finest in Kansas, but the robbers have not respected it. On Friday last, they broke his furniture, destroyed his paintings, and left the house a ruin."

Turned Up.—We have been informed by Mr. Brotherton, of Waynesboro', lately released by the Rebels, that a young man from this county, belonging to Col. Stambaugh's regiment of three months' men, named McLaughlin, and who was supposed to have deserted, or been killed, is a prisoner at Richmond. He was captured at the same time and place Mr. Brotherton and the other Franklin county men were taken. He states that he has an uncle residing somewhere in this county; he may, perhaps, have other relations, and this notice is written for the purpose of letting them know his whereabouts.—*Chambersburg Spirit.*

☞ Both Houses of the State Legislature adjourned from Friday until to-day.

For the delicious cake accompanying the notice, we tender the thanks of the establishment, with our best wishes for their future happiness and prosperity. May they live long to enjoy the serene blessings of the matrimonial state.

DIED.

On the 1st inst., in Hampton, MARY DIX, daughter of John Lehman, of Franklin Grove, Illinois, formerly of this county, aged about 27 years.

On the 7th inst., near Petersburg, GEORGE EDGAR BRANDT, son of George and Mary Ann Brandt, aged 1 year and 10 days.

THE LATEST WAR NEWS.

☞ According to a dispatch from General Halleck, Clarksville, Tenn., is now occupied by the Federal troops under General Smith. The place was taken and a large quantity of stores captured. No further particulars have been received.

☞ A dispatch also from St. Louis states that General Price, reinforced by General McCulloch's command, made a stand at Sugar Creek, Arkansas, on Wednesday, and was defeated after a short engagement, and again fled. Many prisoners were taken.

☞ The Southern news received by the steamer from Old Point on Friday is important. The papers have no particulars of the fall of Fort Donelson, but one of the leading Richmond journals admits its loss to be a heavy disaster.

☞ There is no news from the Burnside expedition or from Savannah. It is reported that Brunswick, Ga., had been deserted by its inhabitants.

☞ The Confederate Congress assembled at Richmond on the 18th and organized by electing *Hon. R. M. T. Hunter, of Virginia*, as President of the Senate temporarily, and Hon. Thomas S. Bocock, also of Virginia, Speaker of the House of Representatives.

☞ An order was issued by the War Department on Friday for the release of about seventy of the State prisoners confined in Forts Warren and Lafayette, among them a number from Baltimore.

☞ Frauds upon the Government in the articles of clothing and military horse-trappings, have been discovered, amounting to OVER ONE MILLION OF DOLLARS! The parties implicated are from New York and Pennsylvania. *Let the public have their names.*

☞ The order for the illumination of the Public Buildings on Saturday evening, was countermanded, on account of the death of the President's son.

Bronchitis.—From Mr. C. H. Gardner, Principal of the Rutger's Female Institute, N. Y.—"I have been afflicted with Bronchitis during the past winter, and found no relief until I found your Troches." "Brown's Bronchial Troches," or Cough Lozenges, are for sale throughout the United States.

Washington, Feb. 20.—The President's son William, aged ten or eleven years, died this evening, of pneumonia.

The other child is recovering.

Special Notices.

Ayer's Sarsaparilla is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from *Strumous complaints*, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven, by experiment on many of the worst cases to be found in the following complaints:—

Scrofula and *Scrofulous* Complaints; Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Diseases, Dropsy, Neuralgia or Tic Doloreux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By thoroughly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

It is acknowledged by all physicians and others who have seen their action, that JUDSON'S MOUNTAIN HERB PILLS are a perfect cure for all bilious affections.
