Nothing of special importance trans-

pired yesterday.
The work on the railroad progresses rapidly and every point is strongly protected from Cumberland to Harper's erry, and every facility is being afforded to the company. A large force is employed on the bridge and iron trestle work at the Ferry. The work has been found in better condi-tion than was at first supposed by the engi-ncer, and ten days is fixed as the time by on mindr issues." This indicates an appre- which a through connection will be made, hension that in the general breaking up of All the commands of this division are in The Luzerne Union says it is pretty well un- the Republican party there is great danger the best condition and unxique for an at-

Provisional Government of Fennessee. WASHINGTON, March 4th .-- Hom. Johnson has formally been appoin Governor of Tennessec, with all duties and functions pertaining to that office during the pleasure of the President, or until the legal inhabitants of that State shall organthe legal inhabitants of that State shall organ-ize a civil government in accordance with the the State are holding themselves in readi-constitution of the United States. In order to ness to come forward at once if occasion Potts, Henry Welsh, Frank Newcomer the exercise of these duties it becomes necessary his body the sears which he received in his to first give him a military position, and hence country's cause in Mexico, or that his encountry's cause in Mexico, or that his en-tire life has been one of patriotic devotion aral. This appointment the Senate to-day unanimously confirmed.

. The present government of Tennessee being a usurpation, every proper encouragement will, through the military government, be given to the loyal people to assume its control. The designation of Andrew Johnsonsor that position is considered by everybody as eminently proper, both in view of his peculiar fitness for the office and of his great popularity among all loyal people, besides those of his five State.—

The Governor, by the acceptance of the office, they are bound, if required, to sell they are bound, if required, to sell they are bound, if required to sell they whole for a further sum of \$550,000, thus necessarily vacates his position of Senator. necessarily vacates his position of Senator.— whole for a further sum of \$650. The term for which he was elected will not expire till March next.

Representatives Maynard and Mr. Etheridge, face—one on the Federal, the other on the now clerk of the House, are making arrangements to return to Tennessce.

CAIRO, March 3.—Columbus has been evacuated and burned by the rebels. The gunboat Benton, with General Cullum and Commodore Foote, went down the river today on a reconnoissance, and found that the rebels had fled from their stronghold, after having removed their guns and laid the town in ashes. Everything had been destroved that could not be carried away. The rebels have also removed their guns from the island below.

The rebels had retreated to Fort Ran-
