FINE MARBILE WORK .- Wester. CANNON & ADAIR have finished a beautiful Monument in Italian marble, to be erected at the grave of in Italian marble, to be erected at the grave of the late Samuel Fahnsstock, Esq., in Ever Green Cemetery. Its height is about 11 feet, with a design on the one side representing a length, without hoardeness; but now (with the white candidate for the Vice Presidency the samuel of the "Troches" I have in the with Hardeness; but now (with the White candidate for the Vice Presidency of the "Troches" I have in the with Hardeness; but now (with the White candidate for the Vice Presidency of the "Troches" I have in the with Hardeness; but now (with the White candidate for the Vice Presidency of the With Hardeness; but now (with the with Hardeness) of the With Hardeness of the Wit cellent taste.

leaning against a monument and weeping. Mr. the level. Cannon's ability as a sculptor is well brought . An ox in the stable of Elma Dewey, surpassed.

Dr. Jno. A. Swope has contracted for a beautiful Monument, intended for the grave of a little daughter. Its style will be gothic, with 1. The first and third letters of the name a rich basket of flowers and other ornaments. These will prove valuable additions to Ever

Groen Cemetery. GIVE US SHADE,-Nothing contributes more to the heauty and comfort of a city or village than handsome shade trees along the sidewalks of the principal streets and highways. The air of refinement and tuste which is apparent to strangers visiting New England is due-more than to any other cause, to the stately elma, ash and sugar maples which everywhere stand guard along their streets, and cast their cooling shadows over the path ways in town and country. We trust our citizens who have not already shade trees planted in front of their dwellings or lots, will not let the present spring pass without procuring them. It will cost but little and add much to the value and beauty of any home as well as

WHITEWASH adds so greatly to the thresque in the cottage and the form-ho and is such an absorbent of impure odors, t it should be freely used, at least in the spr Take half a bushel of fresh burned white liand slack it either with hot or cold water, is tub or barrel. When thoroughly slacked. salve in the water required to thin the lit two quarts of common sailt; stir it thorough add one quart of sweet milk, and it is rebr use, to put on with a brush, frequen st rring it up. Glues and gums cause it a scale off in hot weather.

CANNONADING AND SNOW STORMS. The Harrisburg Patriot & Union, in speaking of the recent snow storm, says that during the wars of Napoleon, and especially when the French army was in Russia, the heaviest end storms occurred that were ever known Europe. The Savans of France, as well as t astronomers of England, and in fact of all Enrope, maintained that these snow storms were the results of heavy cannonading, which produced concussion in the air. Of course there worst disorders that affect mankind arise from the corruption that accommutates in the blood.

TRIPE, BOILED EGGS, and to give general satisfaction—and which they and that the long continued discharges of arange of the produced by the union of the storm of the s

On Saturday evening last an unknown man went to Folmer's tavern, in this place, and lay down upon a bench or settee. He was seen to place his hand upon his stomach and heard to complain of some distress there, but little attention however was paid to the circumstance. About seven o'clock he retired to bed and was not seen during the two succeeding days. At ten o'clock on Monday night, some distance. Salin Diseases, Pimples.

Communicated.

On the 1th inst., FRANKLIN, sond 18 days.

The first time, the public hafe one on which they are doesnot admit and to complain of some distress that require an alterative remidence.

The ment of some distance is the trial one, they are doesnot admit and they are a form they are days. At ten o'clock on Monday night, some person connected with the house had occasion to visit the room, when the stranger was discoresed, still in bed, and, upon examination, found to be a corpse. The fact having been communicated to Esquire Frysinger, a jury of inquest was summhoned by that gentleman, and inquest was summoned by that gentleman, and a verdict rendered that death ensued from some cause nuknown to the jury, but probably he had never had the disease.

Syphilis or Veneral Disease is expensed now the system by the prolonged use of this Sarsaparille, and the patient is left as healthy as if he had never had the disease.
