Vinegar-Vinegar.

THE undersigned has commenced the manufacture of Vinegar, on Washington street, a few doors north of West Middle street, Gettysburg. He has been manufacturing this Vine-gar for nearly one year, and it has given general satisfaction. The superiority of this Vinegar over all other manufactured Vinegar, consists in it being made entirely of grain, no acid of any kind being used in its composition, and free from everything injurious. It is strong, and at the same time pleasant to the taste, and has all the preservative qualities found in pure
