LOCAL DEPARTMENT.

COMMENCEMENT.—The Annual Commencement at Mt. St. Mary's College, near Emmitsburg, on Wednesday, was largely attended, notwithstanding the bad roads and threatening aspect of the weather in the morning. The orations of the graduates were all, without exception, highly creditable to themselves and their "Alma Mater," and were received with warm applause. The following was the order of exercises on the occasion:

DEGREES CONFERRED.

The degree of Master of Arts was conferred on—John Tracy, of Albany, N. Y.; John O'Shaughnessy, Cincinnati, O.; George H. Marmion, Harper's Ferry, Va.; Edw. P. Slevin, Philadelphia, Pa.; Harry P. Northrop, Charleston, S. C.; James E. Duffy, Butler co., Pa.; Thomas J. Gardner, Brooklyn, N. Y.

The degree of Bachelor of Arts was conferred on:—William Byrne, of Listowel, Co. Kerry, Ireland; Michael Jenkins, Baltimore, Md.; Edward T. McBride, Emmitsburg, Md.; Patrick Garvey, Brownsville, Pa.; Augustine P. O'Donnell, Baltimore, Md.; Jeremiah J. Griffin, Limerick, Ireland; John F. Kearney, New York; Edward V. Boursaud, Brooklyn, N. Y.; Thomas W. Ish, Uniontown, Pa.

The honors of the College were awarded to the following students:—

First Class Collegiate.—The honor (gold medal) was awarded to William Byrne, Listowel, Co. Kerry, Ireland.

Second Class Collegiate.—The honor (gold medal) was awarded to James Dunn, Baltimore, Md.

Third Class Collegiate.—The honor (gold medal) was awarded to Emile Noel, New York.

Fourth Class Collegiate.—The honor (gold medal) was awarded to Martin Fallon, Baltimore, Md.

First Class Preparatory.—The honor (silver medal) was awarded to Jas. N. Duggan, N. Y.

Third Class Preparatory.—The honor (silver medal) was awarded to Chas. Abell, Baltimore, Md.

The music was, of course, conducted by Dr. Dielman, and was, also of course, very good. That it contributed largely to the pleasure of the audience was attested by their frequent and hearty applause.

The graduates' dinner was fully up to the high standard long since established—the tables fairly groaning under their weight of substantials and delicacies. But how could it be otherwise when gotten up under the suggestions of so capital a manager as Vice President McCaffery? We need not say that a vigorous effort was made to do it justice.

CAPT. CHRITZMAN.—Capt. Henry Chritzman, of the 109th Pa. Regiment, arrived at home on Tuesday evening. It will be recollected the was severely wounded in the leg at the battle of Fair Oaks. He was removed to St. Joseph's Hospital, at Philadelphia, where he remained until Monday. He is still suffering considerably from the effects of his wound, but has so far recovered as to be able to hobble about on crutches. Otherwise his health is good, although rising a little thin. The Captain made a very narrow escape. He was standing with one foot on the bank of a rifle pit, when a musket ball struck him near the ankle of the left leg, and gliding around the bone, lodged near the knee, where it was cut out, flattened on both sides. After receiving the wound, he fired his pistol seven times, when the weapon was shot from his hand. He was then carried back, and subsequently removed to Philadelphia, as already stated.

The engagement was one of the most severe of the campaign. The Pennsylvania troops deserve high praise for their gallantry on the occasion.

☞ Maj. Heard, of the 104th regiment, P. V., who was reported among the killed at the battle of Fair Oaks, is still alive, not having received any injury. He requests the papers that published his death to make the correction.

DEPARTURE OF THE EIGHTY-SEVENTH PENNSYLVANIA.—In accordance with orders received here on Sunday, the 87th Regiment Pennsylvania Infantry, under the command of Colonel Hay, left their tented field, on the McKim grounds, at 9 o'clock yesterday morning, for more active service. There were ten companies in the command, with full band and drum corps, and the appearance of the line evinced excellent movements. No military command which has ever remained in this city for any length of time behaved better than the Eighty-seventh, and it may be attributed to the regulation, strictly carried out, of excluding liquor from the camp. It is stated by the most reliable officers of the command that they do not believe a single bottle of liquor has been used by the rank and file. The health of the men was first-rate, not one case being in the hospital, besides they rejoiced at the prospect of proceeding to the scenes of war.—*Baltimore American.*

☞ Private Geo. Weikert, of the Keystone Rangers, Capt. Hunter, has returned home from the general Hospital at Frederick, where he has been confined with sickness for several months.

THE SOIREE given by Miss Carrie Sheads's School, in this place, on Friday evening, was, we are told, a most interesting and pleasant affair. We very much regret that other engagements prevented our attendance. The exercises were appropriate in every particular, and all successfully carried out. The audience was delighted.

☞ Rev. W. F. Brauns, formerly of our Seminary, and latterly Pastor of the Broadway Presbyterian Church, Baltimore, has been appointed by the President, Chaplain of the U. S. Hospital in that city.

☞ The Rev. G. Pfuhl, of the Theological Seminary in Gettysburg, has accepted a call from the German Lutheran Church at Bridgeport, Beaver county, Pa.

The Rev. B. Sadtler, pastor of St. John's Lutheran Church, at Easton, Pa., has resigned the charge of that congregation, on account of ill health. It is intimated that he will become Principal of Lutherville Female Seminary, if his health will permit.

☞ The attention of the Retailers of Merchandize throughout the county is particularly directed to the notice of the County Treasurer, in another column.

GER. REF. CHURCH.—The announcement made in the German Reformed Church yesterday for Communion on Sabbath next, we are requested to say is withdrawn—but there will be preaching on that day in the morning. Rev. W. E. Krebs, of Emmitsburg, Md., to fill the pulpit.

POST OFFICE.—We are requested to state that the Gettysburg Post-office will be open for delivery of mail matter on the Fourth of July from 6 to 7 o'clock in the morning, and from 7 to 8 o'clock in the evening—but will be CLOSED during the balance of the day.

THE FOURTH.—There will be a Union Celebration of the Sabbath Schools of Petersburg on the Fourth of July, near the York Springs. A general invitation is extended to all the friends of the cause to be present. The stores and places of business in Petersburg will be closed on that day.

There will also be a Celebration of the Fourth at Round Hill, near Shipley's Store. The exercises will consist of a grand Concert by Prof. Alexander, in which six of his Singing Classes will be engaged. Several Military Companies are expected to be present. Appropriate Addresses, by several able speakers, will be delivered on the occasion, and the Declaration of Independence read. A cordial invitation is extended to all.

☞ We have added the names of quite a number of new subscribers within the last few weeks, and the good work still goes on, with steadily increasing vigor. We feel grateful for this evidence of approbation of the course of the *Compiler*, and shall spare no effort to deserve a continuance of confidence. All national men—all who are opposed to the narrow fanatical creed of the Republican party—will find the *Compiler* just what they want in these times of trouble. *There is room on our books* for all.

☞ Our friend Jordan, the clever gardener at Mt. St. Mary's College, has our thanks for the present of a lot of vegetables, the best we have seen this season. The strawberries were of large size and delicious flavor, (the latter being the highest recommendation,) and the lettuce *was mammoth in its proportions* and very tender. A most acceptable present, John.

☞ The following are the Teachers appointed by the School Directors of the Borough to take charge of the several departments of our Public School during the ensuing year:

Principal—L. R. Baugher.
Vice Principal—R. A. Lyttle.
1st Assistant—Miss J. G. Whiteside.
2d " " E. S. Myers.
3d " " R. C. Belch.
4th " " S. H. Witherow.
5th " " Jennie Gilbert.
6th " " Lydia Swope.

☞ Gettys Lodge, I. O. O. F., on Tuesday evening last, passed the following resolutions:

Having learned with unfeigned regret of the death of Bro. Edward Wert, who nobly fell on the battle-field of "Fair Oaks," near Richmond, on the 31st of May, 1862, gallantly fighting for his country, and knowing him to have been one of those true patriots who was willing to lay down his life in its defence, therefore be it

Resolved, That in his death our Order has lost an esteemed member, the community a valued citizen, and the country a true patriot.

Resolved, That we deeply sympathize with the friends and family of the deceased and that we tender them our heart-felt condolence.

Resolved, That our Hall be draped in mourning for thirty days.

Resolved, That this Lodge will use its best efforts to recover the body of said deceased, and have it properly interred.

Resolved, That the Secretary is hereby directed to transmit a copy of these resolutions to the family of the deceased.

☞ Prof. Muhlenberg has sold his property on Baltimore street to Mr. Henry Wantz for $2,800 cash.

☞ The following provisions in the new Constitution for Illinois have been adopted by a large majority:

No negro or mulatto shall migrate to or settle in this State (of Illinois) after the adoption of this Constitution.

No negro or mulatto shall have the right of suffrage, or hold any office in this State.

The General Assembly shall pass all laws necessary to carry into effect the provisions of this article.

Special Notices.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will so surely find out and cleanse these impurities from the system, that disease cannot exist. So simple and innocent are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are made are so gaping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution.—There are many who have so trifled with their constitutions that they think medicine cannot help them: let not even these despair: incredulity and scepticism is overthrown by a mass of testimony which is truly irresistible. At first the virtues ascribed to the MOUNTAIN HERB PILLS were deemed fabulous. The public had been so often deceived, that they could not believe the simple truths advanced by their discoverer. Yet facts undeniable, attested by witnesses of the highest character and respectability, have proved, and are proving each day, the virtues of this "mighty healer." They mark by their miraculous efficacy and power a new era in medicine. Sold by all Medicine Dealers. [June 30. 1m

Purify the Blood.—Not a few of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none have been found which could equal in effect Ayer's Compound Extract of Sarsaparilla. It cleanses and renovates the blood, instils the vigor of health into the system and purges out the humors which make disease. It stimulates the healthy functions of the body and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great variety of afflicting diseases that require an alterative remedy. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects. But the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken. Sufferers from Scrofula, Scrofulous Swellings and Sores, try it and see the rapidity with which it cures. Skin Diseases, Pimples, Pustules, Blotches, Eruptions, &c., are soon cleaned out of the system.

St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c., should not be borne while they can be so speedily cured by Ayer's Sarsaparilla.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left as healthy as if he had never had the disease.

Female Diseases are caused by Scrofula in the blood, and are generally soon cured by this Extract of Sarsaparilla. Price $1 per bottle, or 6 bottles for $5.

For all the purposes of a family physic, take Ayer's Cathartic Pills, which are everywhere known to be the best purgative that is offered to the American People. Price, 25 cents per Box, or 5 Boxes for $1.

☞ Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Price 25 Cents per Box.—Five Boxes for $1.

☞ Sold by A. D. Buehler, and dealers everywhere. [June 9, '62. 2m

Vinegar—Vinegar.

THE undersigned has commenced the manufacture of Vinegar, on Washington street, a few doors north of West Middle street, Gettysburg. He has been manufacturing this Vinegar for nearly one year, and it has given general satisfaction. The superiority of this Vinegar over all other manufactured Vinegar, consists in it being made entirely of grain, no acid of any kind being used in its composition, and free from everything injurious. It is strong, and at the same time pleasant to the taste, and has all the preservative qualities found in pure Cider Vinegar. He is prepared to wholesale this Vinegar in any quantity. Call and examine for yourselves. ADAM DIEHL.

Certificate.

WE, the undersigned, hereby certify that we have used in our families, for various purposes, the Vinegar manufactured and sold by Adam Diehl, and find it to be all that he represents it to be. We have fairly tested it and believe it to be superior in every respect, to any other manufactured Vinegar we have ever used, and would recommend it to all persons.

Important to the Ladies.

LABOR SAVING WASHING MACHINE.—The undersigned is now building and offering for sale G. W. TOLHURST'S IMPROVED WASHER, at Gettysburg, and intends to supply them to those persons throughout the county who desire a labor-saving machine.

This machine is gotten up on an entirely new principle, and is considered by those who have seen it in use, the best that has ever been brought before the public.

Among the many advantages of this machine over all others may be mentioned the following:

1st. Its simplicity of construction, making it almost impossible to get out of order.

2d. Its speed, which astonishes alike the operator and the looker on.

3d. The facility with which it adapts itself to the bulk or quantity of clothes desired to be washed.

4th. It washes equally well the finest and lightest fabric, or the coarsest and heaviest, such as bed-quilts, comforts, blankets, &c.

5th. Can be managed by a child from 10 to 12 years of age.

6th. Consumes ½ less soap than any other process of washing.

7th. Will last as long as any other tub with same care.

8th. Saves half the labor.

May 12, 1862. S. SHERFY.

Certificate.

ADAMS COUNTY, PA.—We, the undersigned, hereby certify that we have used, and are using now, G. W. Tolhurst's Improved Washing Machine, and are fully satisfied that it is just the Tub Mr. S. Sherfy represents it to be, and supersedes anything of the kind we have ever seen as yet; combining, as it does, great speed with little labor, and *performing* its work in the most satisfactory manner.

We, therefore, recommend it to every family in the county with great pleasure.
