New Store!

NEW GOODS AND GREAT BARGAINS!—The undersigned would respectfully announce to the citizens of Gettysburg and surrounding country, that he has opened a NEW STORE in Gettysburg, in the room lately occupied by J. C. Guinn & Bro., on the North West corner of the Diamond, where he will keep a large and well selected stock of

DRY GOODS, GROCERIES, QUEENSWARE, CARPETING, &C.,

of every description, among which will be found the latest styles of Spring Goods. The Ladies particularly are requested to call and examine my stock, as I feel satisfied it has never been surpassed in this place for beauty and cheapness. Gentlemen, also, are requested to call, as there is no article in the line of GENTLEMEN'S WEAR that they cannot be accommodated with, at prices that will astonish them.

I shall also keep on hand a large supply of GROCERIES, which will be sold very cheap. My stock of QUEENSWARE &c., will also be found handsome, durable and cheap, while the CLOTHING cannot be surpassed.

It is my intention to keep a first class Store—keeping on hand nothing but good goods—and to sell cheap—having adopted the motto—"QUICK SALES AND SMALL PROFITS."

I would respectfully solicit a share of the public patronage, as I hope by strict attention to business, and by dealing honestly with my customers, to give satisfaction to all.

MICHAEL SPANGLER.

Important to the Ladies.

LABOR SAVING WASHING MACHINE.—The undersigned is now building and offering for sale, G. W. TOLHURST'S IMPROVED WASHER, at Gettysburg, and intends to supply them to those persons throughout the county who desire a labor-saving machine.

This machine is gotten up on an entirely new principle, and is considered by those who have seen it in use, the best that has ever been brought before the public.

Among the many advantages of this machine over all others may be mentioned the following:

1st. Its simplicity of construction, making it almost impossible to get out of order.

2d. Its speed, which astonishes alike the operator and the looker on.

3d. The facility with which it adapts itself to the bulk or quantity of clothes desired to be washed.

4th. It washes equally well the finest and lightest fabric, or the coarsest and heaviest such as bed-quilts comforts, blankets, &c.

5th. Can be managed by a child from 10 to 12 years of age.

6th. Consumes less soap than any other process of washing.

7th. Will last as long as any other tub with same care.

8th. Saves half the labor.

May 12, 1862. S. SEEDY.

Certificate.

ADAMS COUNTY, PA.—We, the undersigned, hereby certify that we have used, and are using now, G. W. Tolhurst's Improved Washing Machine, and are fully satisfied that it is the Tub Mr. S. Seedy represents it to be. It supersedes anything of the kind we have seen in use, combining, as it does, speed with little labor, and performing work in the most satisfactory manner. We therefore recommend it to every family in want of one with great pleasure.

BEAUTIFUL ILLUSTRATED MAP

ON THE PRESERVATION AND CULTURE OF FRUIT AND ORNAMENTAL TREES.

COPIES are being published, which contain many magnificent Engravings, such as Trees and various kinds of fine Fruit and Fruit Trees, some of the finest specimens that have ever been put on paper. The Fruit Trees are set with abundant burdens of fruit, similar to that which nature presents in proper season. The trees are represented as having their roots running through the soil in a natural position, and the Engravings of Trees are beautiful and grand. It also contains a fine Engraving which represents the innumerable thread-like roots of a vigorous tree running through and over the soil. The Root Engraving covers ten inches in diameter on paper, and also forms a magnificent engraving, which cannot help but prove gratifying to the eyes of all who may behold it. Such an engraving has never been printed on paper before. The engraving of roots not only proves admirable to the sight of the eye, but is designed to prove of great importance to all who take an interest in the cultivation of fruits and how to treat fruit trees properly.

A COPY contains Twenty-five different Engravings of Trees, Fruits, etc., composed of Evergreens, Forest, Apple, Peach, Dwarf Pyramid Pear and Cherry Trees, &c. The Fruit Engravings comprise Raspberries, Gooseberries, Blackberries, Currants, Grapes, Plums, Apricots, Pears, Peaches, Apples, etc., and are all colored by hand to represent the natural fruit, and are accompanied with printed matter of great importance, and forms a copy in size 32 by 40 inches, on map paper, with muslin back and tape furnished.

A COPY, with its numerous engravings, will be gratifying to the eye, and forms an admirable ornament for the wall of the parlor, and, will richly beautify any apartment with horticultural matter of much importance and fancy. These copies are published at a very heavy expense. Twenty-five dollars have been paid to a scientific artist for forming the plates of single engravings of trees, fruits, etc.

A COPY contains printed matter of much importance and great value. It will tell how to plant all kinds of Fruit Trees to render them very prolific and productive, even in unfavorable seasons. It will tell how to prepare the soil without incommoding the trees in the least in planting. how to strengthen trees much in vigor, and to prune the productiveness of abundant crops, even in unfavorable seasons or locations, with sprouts and cease after treatment.

A COPY will tell how to prepare and to enrich Kind of Fruit and Evergreen Trees, so as to have successful, will wonderfully over proving a failure in a lot of many trees when properly planted as directed. It will tell how to prune and plant Dwarf Pear Trees. It describes the most successful treatment for the culture of the Plum. It will tell how to train and cultivate the Grape.

A COPY will tell how to cultivate and treat Strawberries, Currants, Blackberries, Blackberries, Gooseberries, etc.

A COPY will tell how to treat Peach trees, to restore the gum to the drum if the disease affects from it, and will tell how to use of an application over the soil surrounding the trees to protect the Peach and other border trees from the effects of the bleak winter-killed in the bud. The simple application also restores trees from taking the yellows. The application has the beneficial effects to prevent the foliage of the trees healthy and the trees vigorous, and proves to the prolificness of insects, fruits. The application to be applied is not expensive. All have sufficient material on their premises.

A COPY will tell how to Preserve all kinds of Fruits without sugar. How to tell how to Apples with much success. How to tell how to treat and manage Pears to mature perfectly, and to attain to the highest flavor.

A COPY presents a handsome picture of all kinds of Trees, and forms an ornament for the walls will be a good picture for lovers of art, drawn from nature's productions.

Vinegar—Vinegar.

THE undersigned has commenced the manufacture of Vinegar, on Washington street, a few doors north of West Middle street, Gettysburg. He has been manufacturing this Vinegar for nearly one year, and it has given general satisfaction. The superiority of this Vinegar over all other manufactured Vinegar, consists in it being made entirely of grain, no acid of any kind being used in its composition, and free from everything injurious. It is strong, and at the same time pleasant to the taste, and has all the preservative qualities found in pure Cider Vinegar. He is prepared to wholesale this Vinegar in any quantity. Call and examine for yourselves. ADAM DIEHL.

Certificate.

WE, the undersigned, hereby certify that we have used in our families, for various purposes, the Vinegar manufactured and sold by ADAM DIEHL, and find it to be all that he represents it to be. We have fairly tested it and believe it to be superior in every respect, to any other manufactured Vinegar we have ever used, and would recommend it to all persons.

Danger in Delay.

THE undersigned requests us to say that he will be much obliged to each and all of those who know themselves to be indebted to him, either by Note, Book Account, or otherwise, if they will make immediate payment. To delay doing so, will compel him to the disagreeable necessity of collecting through a proper officer. MARCUS SAMSON.
