NEW YORK DEMOCRATICSTATE CON VENTION

The ticket which this body nominated last week is thus classified. For Governor, Horatio Seymour, soft shell and conservative: Lieutenant Governor, David R. Floyd Jones soft shell; for Capal Commissioner, William J Skinner, soft shell, and war democrat; for Inspector of State Prisons; Caylord J. Clark, hard shell, for Clerk of the Court of Appeals, Frederick A. Tallmadge, old whig, Mozart, conservative and anti-war. The convention adopted the following resolutions:

Resolved-That the Democracy of New York waiving the expression of their view upon questions not rendered imperative by the imperiled condition of their country, hereby declare:

Figst-That they will continue to render the government their sincere and united support in the use of all legitimate means to suppress the rebellion and to restore the Union as it was and maintain the Constitution as it is-believing that that sacred instruments founded in wisdom by our fathers, clothes the constituted authorities with full power to accomplish such purpose.

Second-That by the following resoration, unanimously passed by Congress in July, 1861, of rebels, or we shall not restore it at alk- the government was pledged to the policy inculcated therein, and which cannot be departed from without violation of public faith,

"Resolved, That the present deplorable civil to have their own way. They would see "Resolved, That the presant deplorable civil that this was but one of a series of delusions war has been forced upon the country by the disumonist of the Southern States, now in arms against the Constitutional-government, and in arms around the capital; that in this nationwe had trupped some negroes into the U- of mere passion or resentment, will recollect nion cause, and abandoned them after only its duty to the whole country : that this net-ee and Kentucky.

or subjugation, or purpose of overthrowing in regard to the 4,000,000 blacks of the or interiering with the rights or established in-South, this is certain. Their musters now stitutions of those States, but to defend and solab-olutely control them that there has maintain the supremacy of the constitution and Federal armies have been in possession of paned, and that as soon as these objects are

ack population might have afforded, stitutional arrests, and imprisonment of citizens of this State are without the justifithey had been well disposed.

Zens of this plane are without the justine. If the time ever comes when we are in cation of necessity, and we denounce such pssession of the enemy's country, and we arrests as a usurpation and a crime, and that et about enlisting and arming the blacks, the South will show us that this is a game the freedom of the press, equally protected that two dan play at. They, tod, will arm by the consuttation, ought to be maintain-
