He continued to attend her for a long time, and during that time she had several attacks of hemorrhage from the lungs, which made her very weak, and

brought her nigh the grave. It was when I felt that her chances for life were very bid, that Mrs. Edward French, of Moorestown, New Jersey, who had been cured of Consumption and Bleeding trom the Lungs, and who knew Dr. Schenck when he had Co was cured with his celebrated medicines, sent word to her by all means to apply to Dr. Schenck, as he would, be sure to cure her. At this time ny wife was very bad. She was much reduced in flesh and strength, had no appetite, a very bad cough, which was so distressing as nearly to deprive her of sleep. She had a pain and distress in her lungs, and it was evident to us all that she was far gone with consumption; in the afternoons she would have fever and creep ng chills, and at night free sweats. After Dr. Schenck and given her an examina
