

The union of lakes—the union of daniels— The Union of States none would sever; t lieures—the union of bands-And the Fing of our Union forever!

B. J. STABLE, EDITOR AND PROPRIETOR.

GETTYSBURG, PAR

MONDAY MORNING, JAN. 3, 1863.

THE NEGRO PROCLAMATION. Proclamation is issued under the pretence so arranged as to remove their objections to him." have done great damage in the Obion river a protecting earthwork, and your balls of a necessity of the war.

man in the North, if not in the world.

MR. SEWARD'S OPINION.

of making a distinction between the Government and the Administration, and have stupidly and maliciously pronounced the therefore, rests with the President. strictures of the Democratic press on the

"In this country especially it is a liabit, stitution, but even cessential to its stability, to egard the administration, at any time exting, as distinct and separable from the Government itself, and to canvass the proceedings of the one without the thought of .disloyalty to the other." Let the Abolition howlers put that in

their pipes and smoke it!

REMOVAL OF GEN. WOOL

Gen. Wool has proved himself a good soldier and denounced by the "Plug Ugiy" faction-the very men who raised up the mob Baltimore. To get rid of the General, the logs to order them. Such conduct is inexsion were published. These were refuted: and now he is removed without pretence.

Stupendous Frauds!-Commissioners, appointed by the general government, have been at work for several weeks past in New York and elsewhere, investigating alleged frauds upon the government in connection with the raising and subsisting of volunteers, organizing of regiments and other operations, from the commencement of the rebellion to the present time. Mr. II. S. Olcott, the commissioner appointed for New Ood per day. They receive the same ratious rebels retreating to Tallaboma. The rebels many Democrats who have never harbored Gazete, "dropped into" our sanctum, "all ungage stamp and \$1 for power of attorney stam and \$1 for power of at York, has discovered extensive frauds apon as soldiers, embracing meat, bread, coffee, the government in that city, amounting to kinegar, &c. &c. This reminds us of one of crans lost the train of wagons following he issurrounded. McGlellan and his Generals spirits, resolved to "do better and better." It Provision notes for a sum between \$20 are over \$700,000, with the prospect of being those lines that we have often heard: largely increased as the investigation progresses. Oh, what "honest" times these Hang up the fiddle and the bow;

Still More Stealing .- We see by the Washington dispatches that there has been anoth. Sam will have when he gets about four er theft of unsigned Treasury Certificates millions more! There is great "wisdom" from Treasurer Spinner's office. The in turning the producing agency of our amount is not stated. Only a few weeks great staples into indolent paupers and ago a similar theft of \$2,500,000 occurred at the same office.

We find the above going around in little newspaper paragraphs. The stealing of twoand a half millions is getting to be so the admission of the proposed new State forces. At one clock in the afternoon common under this administration that it of Kanawha, made a very extraordinary does not even create surprise, and is men-speech, of which the following paragraph is tioned only in an incidental way. This is Abolition economy and reform.

OUT SPOKEN SENTIMENTS IN REPERENCE THERETO

From the Luzerne Union.

For some weeks we have heard rumors ander Cunningham; Commissary Sergeaut, from the councils of Simon, that among other expedients discussed to obtain an election to the U. S. Senate, was one no less hold and startling than to have the administration arrest two or three Democrats on some frivolous pretext, and imprison them till after the election shall take under- place. We confess the proposition looked to us impossible, and we gave it little thought; but the occurrences of the past that you inserted the few lines I set you before, I concluded to write again the sort ex- opinions. Some ten days ago Simon himcellent paper—especially as so many of your solf passed through the valley to Scranton. readers have sons, husbands, father brothers Tollowing in his wake, a few days subsequent, and lovers—in the Regiment, all of whom another official, Surgeon Wisson, appeared at Scranton and vicinity, and pretended to take testimony to implicate Senator Stark in improperly obtaining exat Newport News. Since that time we have emption from service of drafted men .-What the offence is to be named we know We left Newport News on the 18th at 2 P. not, but as the object to be attended is a had brought us from Washington, waswaiting to warrant the suspension of the habeas enough to take the Regiment of So the offi-than buying men, and not so difficult to

make inquiry concerning the condition of the 2nd. If the administrations, State and town, and was to'd that not more than one- National, are determined to persist in their sixth of the houses were tenantic by their revolutionary schemes if they me detersixth of the houses were tenanted by their runned to override the voice of the people owners. I inquired by whom the fire houses the exercise of arbitrary power, "worthy on the Point were occupied, and was told, by of tyrant's only," Luzerne county is a good useless slaughter of brave men at Fredericksburg is intense. Almost every county is a ground in this State lost some of its bat seems. The case will are made at the county is a good place for them to begin. The soil of our valvey wis steeped in the blood of the revolutionary patriots, and the descendents of their graves. The case will are made at the county is a good place for them to begin. The soil of our valvey wis steeped in the blood of the revolutionary patriots, and the descendents of their graves. The case will are made at the county is a good place for them to begin. The soil of our valvey wis steeped in the blood of the revolutionary patriots, and the descendents of the case will be a county is a good place for them to begin. The soil of our valvey wis steeped in the blood of the revolutionary patriots, and the descendents of the case will be a county is a good place for them to begin. The soil of our valvey wis steeped in the blood of the revolutionary patriots, and the descendents of the case will be a county in a good place for them to begin.
