

Total & General.

A REMINISCENCE.

The following letter was written by Senator Chandler, of Michigan, to Gov. Blair, of the same State. At its date the memorable Peace Convention was in session at Washington. To this Convention the Republican Legislature of Michigan had refused to send delegates. It was during its sitting, and at a moment when it seemed that it might adopt measures calculated to restore the Union and prevent war, that Senator Chandler wrote to Governor Blair, urging that the Legislature of Michigan should reconsider their former action, and send delegates to the Convention, for the express and sole purpose of preventing the adoption of any measures of reconciliation.

"WASHINGTON, Feb. 11, 1861.

"MY DEAR GOVERNOR:—Governor Bingham and myself telegraphed you on Saturday, at the request of Massachusetts and New York, to send delegates to the Peace Convention or Compromise Congress. They admit that we are right and they are wrong; that no Republican State should have sent delegates; but they are here and can't get away. Ohio, Indiana and Rhode Island are coming in, and there is danger of Illinois, and now they beg us, for God's sake, to come to their rescue, and SAVE THE REPUBLICAN PARTY FROM RUPTURE. I hope you will send a stipulated man or none. The whole thing was got up against my judgment and advice, and will end in thick smoke. Still I hope, as a matter of courtesy to our erring brethren, that you will send the delegates.

"Truly, your friend,

"Z. CHANDLER.

"His Excellency, Austin Blair.

"P. S.—Some of the manufacturing States think that a little BLOOD-LETTING, in this Union, will not, in my estimation, be worth a rush."

It is well, in the progress of events, that such documents as the foregoing should not be permitted to sink into forgetfulness.

The Republican Legislature of Michigan has, within the last few weeks, re-elected its own Chandler to the United States Senate! Is it love of our once great and glorious Country, or is it party, that controls with such much? The true patriot will have no difficulty in answering this question.

OBSTACLES TO PEACE.

The chief obstacle to an early peace, and the restoration of the Union, either by force of arms or honorable compromise, arises, says the *Pittsburg Post*, from a fact not often referred to—the multitude of persons dependent upon the war for subsistence, as well as the thousands who are accumulating colossal fortunes, in various ways, not entirely apparent to the people. It is perfectly clear that our thousands of officers, of various grades, from Major Generals down, are not disposed to curtail their own importance and income, if they could, by bringing hostilities to a close. Then we have members of Congress, who, by their position in the party in power, have secured for worthless sons and relatives snug appointments in the service, which takes so much burden off their paternal shoulders. Other men in Congress are up to their eyes in contracts, by which they are "lining their sleeves" with the finest material. Then come the hordes of sutlers, contractors, paymasters, assessors, and tax-gatherers, who, when added to the hosts alluded to, comprise a multitudinous army of "war patriots," eating out the substance of the Union, and far more terrible to our people than several rebel armies with floating banners. These are the prominent "patriots" of the country who proclaim no peace with the South as long as we have a dollar or a man; no peace with the South until every slave is basking in the sun of freedom. These persons have many powerful reasons for their glowing hate against everything and everybody not absolutely sanguinary against the entire Southern people. It is their vocation, and they are laboring in it. Should peace take place they would starve.

WILL BE REPEALED.

All the Abolition legislation degrading white men, recognizing negroes the same as all other emigrants to this country, &c., &c., together with the new State schemes, and other Abolition legislation, contrary to the Constitution, will be repealed. This may truly be said to be a BIGGER ADMINISTRATION. Their propositions are disgusting and monstrous, their corruption is unequalled in any nation since the world began, and their rule is ruinous and disgraceful beyond the power of expression. May the God of our fathers bring it to a speedy end.—*Sunbury Democrat*.

Intimidating Voters.—Wm. B. Jacobs, of Lancaster county, was recently arrested on a charge of intimidating James Starr and Frederick Styer from voting the Democratic ticket last fall, by threatening them with ejectment from his employ. The men allege that they did not vote the Union ticket, and in consequence, received notice to quit the premises. Let the petty tyrant be brought up to the "bull ring."

Let the people remember that the Abolition party is responsible for all the ruin that has come upon us. The Democrats told them the result and warned the country against it, but they were bent on disunion.
