E. J. STABLE, EDITOR AND PROPRIETOR.

GETTYSBURG, PA:

MONDAY MORNING, APRIL 27, 1863.

We invite the attention of every seader to the admirable Speech of Col. Hopkins, on our first page. It will well repay a perusai.

There are many good speeches made tional questions, and we surrender much of

The publication of these-long articles ingiven on our first page, but we know that which they become the leading managers, respectfully, that will be overlooked when the valuable information furnished in the speeches is nion League under the idea that they can A QUESTION PROPERLY ANSWERED.

Compiler. -

The Abolitionists cannot palm themselves off as the "Union" party. The people understand them too well for that trick to succeed.

The game was tried here on Monday night last. The Know-Nothing-Wide-A-

Samuel Durboraw, Esq., Deputy National Tax Assessor, presided, assisted by a State Senate, made the second and last.

the New York Herald. It says:

The niggerhead spoilsmen see in all the signs of the times the approaching doom of their party, and they are resorting to all

and unconstitutional measures to arrest tain which trusted in the onward, march of public opinion.—they were righteous, and despised others:

They might just as well try to stop the 10. Two men went up into the Lemula to They might just as went of Mississippi with a pitchfork. Their futile pray; one a Pharisee, and the efforts to dam the current will only serve lican.

11. The Pharisee stood and prayed thus the God I thank thee, that I am stieir guilt, and afraid to meet the people with himself, God, I thank thee, that I am in their true colors, they change their name not as other men are, extortioners, unjust, and try to raise a deceptive issue for the adulterers, or even as this publican.

and from the Empire City to the Golden Chapter.

Loyal Leaguer, and thou recollectest how ber and improve." many more titles, and I cannot trust thee. ever thee adopts one name and set of prinyears, as the Democrats have done, I may begin to trust thee.

the 15th inst. In Mr. McSherry, in the dential election! These admissions did Senate, and Mr. Myers, in the House, our not go down well with the managers of the people have had most faithful and efficient "League." Uttored here they would have representatives. Enjoying to the fullest brought the speakers under the sentence of extent the esteem and confidence of their fellow members, no two gentlemen were more useful in the respective bodies, either to the Commonwealth or their constituents.

the payment of bounties to volunteers has "intensely American"-the other is "inassed both branches of the Legislature, and tensely loyal." will no doubt be approved by the Governor. It legalizes the payment of bounties, and empowers County Commissioners, &c.. to levy a fax for the liquidation thereof .-These bounties, it will be remembered, were foted by county, city, borough, and township authorities, without warrant of law, and this act is intended to sanction and

UNION LEAGUES.

The Harrisburg Patriot and Union wall snys: There is no earthly necessity for such "Leagues." They can in no way not? vigor to the Government. They have no control over the public sword or burse.-The President and his Secretaries are clothed with the full and limitless management in what the writer states : of the entire physical means of the country.

These Leagues may turn out a fresh swarm Edicos Patriot and Union:

I have seen in the Abelition papers at of the entire physical means of the country

There are many good specches made clothes—you are not going into any organization with such men as Horace Greely know not. tional questions, and we surrender much of our space to them, because in no other way can we better put the public in possession and correct arguments. Surely, in these times of trouble, no effort should be spared to enlighten popular sentiment to the lighest degree.

The publication of the solong articles in the surrender much of our space to them, because in no other way come altering the devision which and correct arguments. Surely, in the surrender much of commend, no matter low altering the devision of these poor, mean, quaventers that all these commends in the surrender much of commend, no matter low altering the devision was special in at each out of the surrender much of commend, no matter low altering the devision will unit what effect is not strictly and the surrender much of commend, no matter low altering the devision will unit wind in the surrender much of commend, no matter low altering the devision will unit wind in the surrender much of commend, no matter low altering the devision will unit wind in the commend, no matter low altering the devision will unit wind in the commend, no matter low altering the devision will unit wind in the commend, no matter low altering the devision will unit wind in the commend, no matter low altering the devision will in the commend, no matter low altering the devision will unit wind in the commend, in the commend, in the commend, in the commend of the commend, in the commend of the commend in the commend of the commend of the commend of the commend on the commend of the commend terferes somewhat with the variety usually Abolitionists intrude themselves, and of ed of the epithet applied to us. Yours,

If the reople are anxious to go into a U-That it is so viewed we infer from the That it is so viewed we infer from the fact that new subscribers are pouring in upon us every day. Never before at this spacen of the year has our list increased so prom for more—and shall always endeavor, on the personal day of the people, cushing the rest of the people, cushing the his is a most gratifying as hepetefore, to deserve the support of all who may feel disposed to patronize the may feel disposed to patronize the may into the personal designate and set apart Thursday, the 30th betteries erected on the Democrat, was elected mayor of Common Schools will ask placeful for the nor and stand ask apart Thursday, the 30th burg, on the people, and they will ded to call out the strength and resources by 118 msjority, and the rest of the Democrat, was elected mayor of Common Schools will ask placeful for the people of abstain on the day from their respectable poople to abstain on that day from their respectable poople, cushing the redult to the day holy to the Lord, and devoted to the day holy to the Lord, and devoted to the hard of two divisions and iterations of his life confirm it, and the rest of the Democrat, was elected mayor day. Apart flux and the rest of the Democrat, and set apart Thursday, the 30th day of April, 1803, as a day of national late.
